## Cyber Safety

We had a visit from Simon Aston on Tuesday 25th September. He worked with Year 5 and 6 on a number of topics around giving them the knowledge on how to stay safe online. Simon then ran a parents' workshop at the Infant School in the afternoon and then at the Junior school in the evening. The Junior School session gave parents some clear guidance on things they can do with their children to help keep them safe whilst online. The message given was quite hard hitting but also full of common sense. The Parent Pages on the school's website have been updated with some useful information for you. Please click on the link below.

## NSPCC ASSEMBLY

On Thursday 27th September the NSPCC visited to deliver an assembly to the children. It covered a number of themes including the NSPCC's belief that all children have the right to:

- Be listened to;
- Stay safe and not be hurt;
- Get help when they need it.

The school has agreed to for the children to take part in a sponsored "Buddy's Workout" during a PE lesson. Every child has been given a sponsorship envelope which, if you are able to support them, we would ask gets returned by 8th October.
