Engage, Encourage, Endeavour. Unlocking the potential in every child

September 2018

Dear Parents/Carers

We are writing to let you know your child will be having extra support with English this term. They will be involved in an intervention called learning champions. They will have an individualised box with reading, phonics and spelling activities; which they will practise 1-1 with one of our teaching assistants. This will take place three times a week for twenty minutes.

You will be invited to come and see this intervention with your child after half term. In the meantime if you have any questions please speak to you child's class teacher.

Yours truly

Suzanne Spencer-Smith
