

Meet your  
**teacher**

Mrs S Rigby

## WELCOME

This year our topic focuses are: Let's Celebrate - where we will be looking at celebrations from around the world; Once Upon a Time - where we will be focusing on plants and where our food comes from; and Changing the World - where we will be learning about our planet and things we can do in order to aid conservation. We will be more independent and will be taking our first steps towards learning in a formal classroom environment. Every day will be fun and adventurous.

### A LITTLE ABOUT ME

I have been Early Years trained and love teaching some of the youngest children in school. I am lucky enough to have taught most of the children at Lepton and will be watching my first class of Nursery children leave this year at the end of Year 6! I live at home with Mr Rigby and our little girl, Codie and we have two cats called Goggles and Michaelangelo, one big dog called Bruno and two fish called Butterfly and Tiger (named by the Year 6s when they were in Nursery! haha - they're still going strong). I was born in America and travel back there often to visit family.

### FAVOURITES

**Colour:** This changes all the time - at the moment it's green  
**Movie:** All of the Disney movies, anything sci-fi and I love the Lord of the Rings trilogy - I have watched them aaaaaa lot  
**Food:** My grandma's spaghetti bolognese, cheese, and chips and dip (I can easily eat a large bag of Doritos and dip)  
**Place:** Hong Kong  
**Hobby:** Walking, painting nails, spending lots of time with family  
**Sport:** I'm not massively into sports but Mr Rigby is, so I end up watching more than I'd choose  
**Season:** I like extremes - full blizzard in Winter and scorching sun in Summer - no in-between
