

Meet your
teacher

Mrs R Brook

WELCOME

In Year 2 we have a lot to look forward to this year! We will be learning about all sorts of different weather types, castles and dragons, penguins, Antarctica and much more! We will always make our learning fun and enjoyable with lots of hands on activities.

A LITTLE ABOUT ME

Over the Summer, I got married so this is my first year teaching as Mrs. Brook. I am still getting used to not being Miss. Jillott...it may take a while! I have two playful, mischievous cats called Hurley and Winstone.

They love to chase mice in the garden! My favourite thing to do it watch Huddersfield Town play on a Saturday. I have been watching them since I was 7 years old. I am very excited that we are now in the Premier League.

FAVOURITES
