WELCOME

Welcome to class 5 and upper key stage 2. This year we will be learning lots of new and exciting skills across the curriculum. At the start of the year, all of the pupils will take part in play leader training and will have the chance to be a play leader at some point throughout the year. Our year 5 topics are space (with a school trip to Jodrell bank), Ancient Greece, Kensukes's Kingdom and Ancient Egypt. We have strong community links with St John's church and will take part in a community project later on in the school year.

A LITTLE ABOUT ME

I am a talkative teacher who likes fun and exciting lessons. I have a strong belief in pupil voice and your opinions do matter and they help to shape the year 5 curriculum. I love sport and play netball for a team once a week.
