

Dear parents and carers

I am delighted by the hard work of staff and pupils this academic year. Ofsted in January recognised the amazing progress our children are making and awarded the school a GOOD rating. This has been followed by impressive test results that show the good levels of attainment and progress made by pupils at the end of all key stages. In almost all areas pupils are working at or above national expectations. You should quite rightly feel very proud. Thank you for your support in helping the school and your child/ren achieve these impressive results
