

‘Believe, Achieve, Succeed’

In 2018/19 we would like to:

- Continue to embed pupils responsibility, aspiration and resilience through ‘Believe, Achieve, Succeed’
- Embed and extend the mastery approach to teaching the key skills of reading, writing (including punctuation, spelling and handwriting) and numeracy (including times tables and number facts)
- Develop opportunities and target more pupils to work at greater depth in writing.
- Narrow gaps in attainment between girls, boys and pupil premium pupils, ensuring all children reach their potential
- Develop more opportunities for parents and carers to contribute and play an active part in supporting their child’s education

At Hillside Primary school we believe everyone in our school community can achieve and succeed.
