CAN YOU HEAR ME?

Faith Can you hear me?
Do you know I'm here?

Jennifer Can you see me?
Does anybody care?

Af. Ch. All Please can you help us?
We're so hungry.
Sad to say,
We have no money.
Can you help
Make our dreams come true?

Please, can you help us?
We're so hungry.
Rain won't come,
It's always sunny,
So we hope
We can count on you.

THE BREAD SONG

Put the flour in the bowl,
Wholemeal, white or brown.
Sieve out any soggy bits,
Stir it all around.
Make a hollow in the flour,
Pour the water in:
Not too much, just enough.
Mixing can begin!

(Insert joke here)

Mix 'n' stir, mix 'n' stir,
Mix 'n' stir 'n' mix.
Slap it all around the bowl
Bash the lumpy bits.
Add the yeast, don't forget
That should make it rise,
Or you'll get quite a shock:
Pancake in disguise.

(Insert joke here)

And now you're...
Needing to knead it,
You're needing to know,
If you don't knead it,
'Mouldy ol' dough!
Needing to knead it
So knead till you drop.
Needing to knead it,
Knead it, don't stop!
[Repeat the verse getting faster and faster.]
(shouted) Knead it, don't stop!

CAN YOU HEAR ME?

Sienna: Can you hear me?

Do you know I'm here?

Aimee: Can you see me?

Does anybody care?

Sienna/Aimee:

Please can you help us?

We're so famished.

Floods have come,

Our crops have vanished

Can you help

Make our dreams come true?

Please can you help us?

Children dying,

War goes on,

There's bullets flying,

So we hope we can count on you.

THE CHEESE SONG

Milo

Gimme some cheese, please

Lov-er-ly cheese.

Gimme some cheese, please

Wonderful cheese.

I could make a ploughman's lunch:

Lovely grub!

Munch, munch, munch!

Group

Don't want bacon, don't want ham,

Just a little pinch of Parmesan.

Don't want biscuits with my tea.

Give me Stilton, Edam, Brie...

All

Gimme some cheese, please... *(etc.)*

Group

Don't want fish, don't want chips,

Just a little taste of cheesy dips.

Don't want tongue, turns me pale!

Give me Gouda, Wensleydale...

All

Gimme some cheese, please... *(etc.)*

All

Don't want meat, don't want roast,

Just a little slice of cheese on toast.

Don't want sprouts, nor beef stew.

Give me Cheddar, Danish Blue...

All

Gimme some cheese, please... *(etc.)*

Lovely grub,

Munch, munch, munch!

Lovely grub,

Munch...

Munch...

HARVEST TIME IS HERE AGAIN

All

Harvest time is here again.
Thank you for the sun and rain.
Plant the seeds and watch them sprout.
Grow it, cook it, dish it out!

Isabel Don't be greedy. Why not share?

Milo (*spoken*) Not my problem – I don't care!

Isabel So much food - lots to spare.

All Think about the world!

Milo (*spoken*) I don't care!

All

Harvest time is here again.
Thank you for the sun and rain.
Now's the time to reap the crop.
Grow it, cook it, in the pot!

Isabel Don't be greedy. Why not share?

Milo (*spoken*) Not my problem – I don't care!

Isabel So much food - lots to spare

All Think about the world!

Milo (*spoken*) I don't care!

ONLY ONE WORLD

Only one world, one dream,
One hope, one prayer.
Only one world, one life,
One chance to share.

Sow the seeds of understanding
Then it can grow.
Help the roots spread ever deeper
'Til the world knows.
Reap the harvest, count your blessings,
So much to share.
Save the children, feed the people.
Show them we care.

Only one world... (*etc*)

Sow the seeds of understanding... (*etc.*)

Together we can make a difference,
Together we can play our part.
Together we can find the answer.
It's time to make a start!

Only one world... (*etc*)
