Sessions

Breakfast (7:45am-8:45am)

We believe Breakfast is the most important meal of the day and is served from 8:00am-8:20am. We provide toast, cereal, waffles, pancakes, brioche, crumpets, orange/apple juice, milk and are always open to new suggestions. The children also enjoy a bit of free time before they start their school day.

Educare AM/PM (8:45am-11:30am) (12:30pm-3:15pm)

We provide a happy and safe environment for our nursery children to develop and grow in. Your child will have their own Key Worker which will work closely with your family to help your child meet their development targets. Their interests will be taken into account when planning for the weeks activities as the children are more likely to engage in an activity if it interests them. They will be observed and tracked to make sure they are progressing in the right direction. Most of all, Kidco want to make sure the children enjoy their time with us. We provide a healthy snack throughout the day which consists of a variety

of different fruits. Could you please provide a named water bottle.

Lunch (11:30am-12:30pm)

This is a lovely time for the AM and PM Educare children to sit down together and discuss their days so far whilst eating their lunches. We ask you to provide your child with their own packed lunch. Can we ask that you do not give them nuts or fizzy drinks and cut up grapes that have to prevent choking.

After School Club (Session 1 3:15-4:45) (Session 2 3:15- 5:45)

Is the childrens time to unwind after their busy day. To play games with their friends, play outside and join in our planned craft activities. We provide a light snack for your child consisting of beans on toast, sandwiches, crumpets, yoghurts etc. Please ask us for more details. We aim to make our Kidco children happy and build partnerships with our parents.

Other information you need to know.

At Kidco we go out in all weathers so could you please provide named wellies and a change of clothes that’s named, in case we have so much fun splashing in the puddles.

Funded places will be asked for a voluntary fee of £1.00 a week to cover our fruit snacks and a fee of £2.00 a day if they have breakfast in the morning and snack in After School Club.

This is because the funding does not cover these food costs.
