

### **8.10.18**

Dear Parents,

This week we are looking at the rhyme 'Humpty Dumpty'. Our text is 'Little Lumpty', by Miko Imai. We are going to be making a Humpty Dumpty out of a boiled egg. We will also be serving toast soldiers at snack time and eggs one day this week.

In maths we are starting some work on 2D shapes. Children will be naming and identifying some shapes and making shape pictures.

Please keep practicing every day with your child, the name card is yours to keep! I will also be sending home a RWI initial reading sheet tomorrow along with their reading diaries. This will highlight the sounds your child has been taught so far. Feel free to put these sounds on to your own cards and practise them with your child. It also has a section with words that your child should be able to start to read and blend. We will upload a video onto the website and tapestry to model how this should be done.

We are encouraging independence at school and would like the children to be able to put their coat on by themselves. Please can you practise putting on coats, zipping them up and pulling sleeves the right way when they turn inside out. Please upload success pictures to Tapestry.

Many thanks for your continued support, it is really appreciated.

Mrs Sharp
