Dear Parents / Carers

As last year, there are lots of extra-curricular clubs being run at school, at lunchtime, after school and even before school. Rather than sending out lots of letters about each individual club, all information can be found in the table below. Please complete the form attached and return to school if your child would like to take part in any of the clubs listed. Children will not be allowed to join any school clubs without signing the contract attached to show their own commitment. Children must also have parental permission to take part in any after school clubs.

All clubs will start next week (week beginning Monday 17<sup>th</sup> September) and will run throughout the year unless cancelled for any reason (weather, dark nights, staff absences, etc). Some clubs may change to different year groups each term. There will be no clubs during the last week of each term.

**HOCKEY:** this will run throughout the year at Driffield Astroturf (at Driffield School) as the pitch can be floodlit, allowing us to play through the darker nights. However, when the severe winter weather hits, we may have a few weeks off. Please be aware, you **must** arrange for your child to be transported to and collected from the pitch every week. Please do not just drop children off at the astroturf and drive off, make sure that Mr Saltonstall is there and there are no issues with running the session. Pupils **must not** wear football boots (studs or blades) on the Astroturf.

Please make sure that any contact numbers provided to the office are still correct in case of an emergency. Can we also please remind you and the children to let us know as soon as possible if the children are leaving a club, will be missing one week or are just changing their travel arrangements for getting home after clubs which finish at 4.30pm, preferably in writing.

Parents **AND** pupils need to sign the form attached (your child **MUST** sign their **OWN** contract, not parents!). Parents to give permission for their child to take part in the clubs and pupils to agree to the contract expectations and responsibilities laid out. Pupils will be held accountable to their contract during the school year and if they don't keep 'their end of the bargain', they will be removed from clubs (completing homework and inappropriate behaviour at playtimes tend to be the biggest issues!)

Many thanks,

Mr Saltonstall  
Sports Co-ordinator
