

Dear Pupils,

We need you to be as committed to our extra-curricular clubs as your teachers are. We need you to know that clubs don't happen automatically and for no reason. They happen because your teachers work hard, care about you and because you deserve them! We know how important they are in enhancing the curriculum and how they help to keep you fit and healthy. So this year we have a simple contract for you to sign before you can attend any school clubs!

FOR THE PUPILS:

I would like to attend the following clubs:

I will:

- show that I *deserve* extra clubs by giving 100% effort and behaving appropriately in lessons and around school.
- make sure that I have the kit and equipment I need for my clubs on the right days.
- make every effort to attend these clubs every week when they are on.
- listen to my teachers and coaches.
- represent our school appropriately when I am at competitions, matches, tournaments, events and performances.
- show good sportsmanship before, during and after matches. Win or lose, we shake hands and give '3 cheers'.
- complete any homework I may be given on time.
- apologise to the member of staff running a club if I can't attend a session, and I will let them know *why* I cannot attend as soon as possible.
