We can't wait to help you.....

Are you wanting to join the best profession in the world?

Do you have the passion, empathy and knowledge to make a difference to the lives of children and young people? Are you wanting to expand your own horizon?

ABOUT US

Here at the Huddersfield Horizon SCITT we firmly believe that young people have the fundamental right to the **BEST** education, led by the **BEST** practitioners. We are strongly committed in recruiting the most passionate and dedicated of people to join our professional and supportive teacher training programme.

Our Programme is at the forefront of educational research and practice, led by specialist colleagues who are currently working in a range of educational settings. By being at the chalk face they can share with you their wealth of experience and skills and support you in fulfilling your teaching potential.

We work closely with our strategic partners so that we can be guaranteed of the quality you will receive whilst working in one of our partnering schools.

WHY TRAIN WITH US?

- ❖ Our innovative Programme is led, and quality assured by subject specialists who are currently working in the school setting.
- ❖ We work with a range of schools who can offer varying placements; these include Outstanding schools.
- ❖ We value you as an individual whilst promoting collaborative working. We are a team and YOU matter!
- ❖ Your training does not stop at the end of the first year; we will fully support you throughout your teaching career. We understand that this is a vocation and through our strong relationships with our partnering schools we can guide you to the opportunities available in our schools.
- ❖ We are situated in a key location with partnering schools across the Kirklees, Calderdale and Oldham areas.
- ❖ The M62 sits as a fantastic gateway to access our partnering schools.
- ❖ Affordable housing available within the vicinity.

🐦 @HuddHorizonSCITT

I enrolled on a secondary maths teaching course within weeks of meeting Emily Beach at Huddersfield Horizon SCITT. Being 37 years old and caring for three children full time, I felt quite isolated from the outside world. Emily Beach inspired me from the very beginning and supported me throughout my application. She made the recruitment process very relaxed and approachable. I was able to choose the best teaching route for me and my family. I cannot wait to begin the programme and fulfil my lifelong dream of becoming a maths teacher at Huddersfield Horizon SCITT.

Memona Wasim, Maths Trainee

Applying for a SCITT can be a very difficult time for anyone. There are many different things to take in to consideration and lots of aspects to understand, which can be quite overwhelming! Emily shared many tips to help ease the pressure!!! She made a daunting task feel achievable! I can express nothing but gratitude for the support shown before, during and after apply for the place at Huddersfield Horizon.

Laura Wood, Geography Applicant
