

NURSERY EDUCATIONAL VISIT TO BELGRADE THEATRE

Objectives

Eastlands Primary School has a strong commitment to the added value of learning beyond the school premises by the use of carefully planned Educational Visits. Every child has an entitlement to a wide range of educational experiences. Eastlands Primary school has a role to provide a broad and balanced curriculum that promotes spiritual, moral, social, cultural, mental and physical development and prepares young people for the opportunities and experiences of adult life. Each year the school will arrange a number of activities that take place off the school site and/or out of school hours, which support the aims of the school, as well as providing first hand experiences and bringing the curriculum to life.

Aims:

Nursery children and staff will be visiting Belgrade Theatre in Coventry, watching a show called Santa's Sparkly Christmas. Santa, Ellie the Elf and the gang are so busy getting all the presents ready that they have forgotten to get ready for Christmas themselves. Rudolph and Mouse are very sad that the workshop has no decorations or a Christmas tree and that there are no presents for them! They are going to need the help of all the children in the audience to make Christmas as special as it should be. This trip will support our learning in Literacy and Expressive Arts & Design, with the production featuring catchy songs, live music and a storyline that the children can get involved in.
