COMMUNITY-POWERED
EMERGENCY CARE

Don't forget your bags for the Air Ambulance collection, due in school on Monday morning please.

We are delighted to support the Samaritan's Purse Shoebox appeal again this year. Your child has been given an information leaflet if you would like to take part. Shoeboxes should be sent in to school by 9th November.

We will be hosting our annual Scholastic Book Fair in school next Wednesday, Thursday and Friday. Children have been given an information leaflet to bring home. The Fair will be open each morning from 8.30 - 9am and after school from 3-3.30pm. We hope you will support us, as school earns commission from all of the sales. The books available make lovely Christmas presents too!

Children in Elm and Oak Classes will have Forest School training on Thursday 11th October, so could you please ensure they have a warm coat, hat and gloves as well as waterproofs if they have them.

eSafety

We have recently had some e.safety training for staff in school and there were a couple of ideas we thought we would pass on to parents:

1. Online games can be used by paedophiles to groom young people, if you want to check out the games your young ones are playing on line you can go to the NSPCC Netaware website where many online games are described and reviewed, they are also highlighted if they are regularly targetted by people wanting to groom children.

2. Be aware of the PEGI rating of games your children are playing; age related certification is there for a reason and tries to ensure age appropriate content for children's gaming, as parents you have a duty to police these guidelines.

Staff have noticed some really great examples of children in school being sensible and responsible friends to others and we want to recognise this, so we will be creating FRIENDSHIP AMBASSADORS, nominated by their peers and awarded for half a term at a time. If your child is made a friendship ambassador you will be informed by letter.

We had a brilliant day on Monday, when the emergency services came in to school; the children learned lots about the roles they have and how to contact them in an emergency. All our visitors were very impressed with the children's behaviour and engagement with the day.

WELL DONE everyone!

This week Ash Class were lucky enough to enjoy a fantastic day at Dynamic Earth in Edinburgh. We time travelled, witnessed a volcanic eruption, flew over a glacier, enjoyed the view from a submarine, took a 4D venture through Earth's biomes and visited the Rainforest - as well as enjoying a 'supervolcanoes' film in the showdome. Everyone had a busy day full of learning and full of fun!

Elm Class enjoyed a lovely trip to The Grace Darling Museum this week. They took part in a workshop and made puppets to tell the story of Grace Darling. They also visited the Church and the play park.
