Kitchen Winter Menu

The school dinner menu is being refreshed! Commencing after half term, the Kitchen will roll out their new Winter Menu which will run from Tuesday 6th November 2018 to the Easter holidays, when it will be replaced by the Summer Menu. Your child/ren will have been sent home tonight with a copy of the new menu.

Please can you let the office know as soon as possible if there are to be any changes to whether your child has school dinners, packed lunches, or a combination of both so that we can be prepared for the new menu when we come back after half term.

Individual School Photos

The photographer will be here on Monday 16th October to take individual photos. If you would prefer to have your children photographed separately rather than with siblings please let the office know otherwise family groups will be taken together. If you would like pre-school children taken in the same photograph or separate please be at school for 8.45am as these groups are usually done first.

School Disco

On Thursday 25th October the PTA will be holding a School Disco at school. This will start at 6:00pm and run until 7:30pm. A selection of refreshments will be available. If you are bringing children from Holly or Cherry class please can we request that an adult stays to supervise. Please see the attached flyer for further details.

Application to High School

This is a reminder to all Year 6 parents that the deadline for High School 2019/20 applications is **Wednesday 31st October**.

Communications from School

As a school we occasionally send home communications in the form of leaflets or posters and we wanted to inform you, as parents/guardians, that anything sent home is vetted and has a benefit to school. This may be that the company or person in question has sent a donation to one of the PTA events (i.e. a raffle prize) or through a direct donation, be it monetary or resources. As I am sure you are aware, with budgets getting tighter within the Education sector, we have to find further ways to raise our own funds. We will never send out anything to families that we feel may not be useful to someone. We appreciate that we are promoting their services, however there is never an obligation to take up any goods/services that you feel you do not require.

Year 5 & 6 Footballers

There will be a mini tournament played next week against NABB school on Monday 15th October. Please can you ensure that your child has suitable kit and a drink!

My Nametags

We have looked into ways to help reduce the problem of lost jumpers! As such we have teamed up with My Nametags. For every order of personalised labels for children's clothing and equipment, My Nametags will contribute 20% to the school. The more orders My Nametags receives, the more they will donate! Please help us to return lost clothing and support our fundraising efforts by placing an order for labels with My Nametags at www.MyNametags.com. In order for school to receive a donation, please place school's ID number – **18801** – in the Delivery Details section of the Checkout page. Don't forget – you could order for older and younger siblings too!!!

Parents in school

Please can we remind parents that if you want to speak to a class teacher you will need to see if they are free after school via the school office, during the mornings they are busy setting up classrooms for the day ahead!

Kind regards,
Lauren Metcalfe
School Office
