## Harbour Lights Newsletter July 2018

Dear parents and carers,

Here we are at the end of another successful year at The Harbour. It has been wonderful to see all the boys flourish and make progress in their learning this year.

I would particularly like to congratulate the KS4 leavers who have all gained places in colleges for September, this is a great achievement and the whole school community wishes them continued success.

We have battled very bad weather this year which left us with no heating and are now enjoying Summer temperatures at their very peak. We are already looking forward to developing our outdoor learning spaces and are about to embark on our first big project to develop a Nature Learning Zone in September.

I wish you all a safe and restful Summer holiday and I look forward to welcoming the pupils back ready for another exciting year at The Harbour.

Best wishes,

**Ms Debra Smith**  
Head teacher

### Wicksteed Park Trip- Minnows and Dolphins

The Minnows and Dolphins class enjoyed a fantastic day out at Wicksteed Park, Kettering. On a very sunny 4th of July they cooled off on thrilling water rides and visiting the Meercat tunnels. The boys were brave enough to participate in the challenging tree top walk, travel up high on the lighthouse and enjoy the giant swings. Other attractions included boat rides. An ice-cream in the shade was well deserved by all before returning to school. We had a fabulous day and we all hope to repeat this trip again next year.

rides and visiting the Meercat tunnels. The boys were brave enough to participate in the challenging tree top walk, travel up high on the lighthouse and enjoy the giant swings. Other attractions included boat rides. An ice-cream in the shade was well deserved by all before returning to school. We had a fabulous day and we all hope to repeat this trip again next year.

### Year 9/10 College Taster days

Some of our pupils recently opted to spend two days at Cambridge Regional College completing a construction taster, with other pupils choosing to complete a two day motor vehicle taster. All the boys really enjoyed their time at CRC and can't wait to get started in September.

### Sporting News

This year we have covered numerous sports from individual, team game activities and health related exercise including circuit training, boxercise and bleep tests.

We also took part in four football tournaments at Witchford Village College. We recently completed a very successful sports day with seven activities to compete in; sprint, high jump, long jump, throwing, target shot, memory pattern activity and blind fold mine field challenge. Thank you to the parents and careers that came to support this event.

### Year 11 Leavers- Message from Ms Knibbs

I would like to take this opportunity to wish the 'Class of 2018' all the very best for their futures. It has been a great pleasure to guide them

as a year group through their final year at The Harbour School. You have made me exceptionally proud this past year, and I know all the Key stage 4 team felt the same. We wish you all the best of luck for the future.

### Prize Giving - Upper School 4th July

A big thank you to all those parents and carers who came to share lunch and participate in celebrating the success of the boys.
