

E G CARTER & CO LTD

PHASE 3

As you are aware, we have now completed Phase 2 of the regeneration scheme of this estate.

The demolition has started on phase 3 and from week commencing 15th October, the actual construction stage will start.

We would like you to be aware that this will mean more traffic around the Fullers Avenue / White Horse Road junction and would like to ask if you could possibly refrain from parking near this junction whilst dropping off and collecting your children from school.

Many thanks

Mike Goldsworthy
