Dear Parents,

**Monday After School Gardening Club at Nether Green Infant School.
Starting Monday 5th November – six weeks - last session Monday 10th Dec 2018.**

Hello! I'm Bev, I have been running my own gardening business for over 5 years now, I also provide gardening clubs in primary schools.

I am running one of these clubs at Nether Green Infants every Monday after school. The focus of the club is fun based learning, with a mixture of games and activities while the children eat their snack, followed by practical gardening tasks. **The club will run each Monday after school from 3.20pm until 4.30pm. I meet the children in the hall.**

In a typical 6 week programme they will learn how plants grow, what they need, how to make new plants, growing plants you can eat, plant life cycles. Sometimes they will plant things they can take home and other times they will do activities in the school garden.

There will be a charge of £5 per session, £30 for 6 sessions: please can you can pay by cash, or cheque: payable to B.Sheppard

I can have up to ten children in a group. Priority is given to children who have not attended before, but repeat attendees often happens. Please return the slip below. If your child cannot be allocated a place this time, your payment and slip will be returned. Or they can be allocated a place on the next gardening club. **If you don't have a printer, don't worry just write info on a piece of paper.**

Your child will need, a snack and drink, a waterproof coat and sturdy shoes if wet.

Kindest regards,

Bev Sheppard
(RHS qualified gardener)

Monday afterschool Gardening Club

**I enclose cash / cheque for Gardening Club of £30
(Cheques payable to B.Sheppard)**
