Term 1 SRP Newsletter

We are well into Term 1 and it has been a busy one! Lots has been happening behind the scenes....

We have new adults and new children. Please see the updated staff photos to work out who is who. As always with new adults and children it takes the existing children time to adjust.

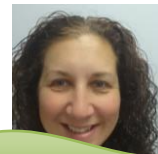

The children are settling well into their new classes and routines and we are looking at what interventions the children will be joining in with this year.

We have a new home school link book system which we will be linking into 'Zones of Regulation' to support the children in regulating their emotions.
