'Do you have any old/unused keys lying around your home?'

Thank you so much for the donations so far... but we need more old/unused keys for our current art project, so please could you take a look around your home/garage to see if you have any old/odd keys that are lying around that no longer belong to anything. Maybe an old door key, padlock key, gate key, locker key...? Perhaps you could ask at work your workplace if your colleagues there have any they would like to donate? If you do have some unwanted keys, please send them into your school office as soon as possible. Thank you, as always, for your support with this special project.
