Dear Parents/Carers

**Year 2 Super Hero Day!**

During our work on Traction Man the children have realised that he is a hero who is "Always ready for anything". As The Blackbirds are a class of Super Heroes we have decided we would like to have a Super Hero Day.

The children can come dressed as a hero of their choice and can make their outfits as simple or as elaborate as they choose; from Traction Man dressed in a special mission outfit, to a full super hero dressing up suit to just an eye mask or cape.

We will have a day full of creative fun.

Kind regards,

Mr R Knight
