

# Aspirations for All

The fortnightly newsletter for Summerfield School—Issue 3

Dear Parents/Carers,

The first half term continues to steam along at a very fast pace and, despite being one of our longest half terms, we only have two weeks left until the week off.

During the last week, we will be holding our first Parents' Evenings of the year. These meetings so early on, allow the teachers to share with you how your children have settled in to their new year group and class, to discuss individual targets across the curriculum and to discuss your child's strengths and areas for development as a learner. We will have Chartwells, our school dinners provider, in school both evenings sharing samples from their new menu and answering any questions you may have. We will also have a book fair that will be open during the whole week, including in between appointment times. I would like to hear your views on how we can help support you in school through workshops, the ways we communicate, etc, so please have a think before you arrive. On the evenings we invite you to complete a short survey which you can access in the ICT suite.

Thank you for all your contributions for our Harvest celebration and for your continued support - it is appreciated.

Best wishes,

Mr Fraser

## Reporting Absences

We have now activated Parentmail to accept Absences notifications. When you open your Parentmail App you will now see 'Notify Absence'.

Please let us know by 9am each day and remember to complete 'Additional Information'. Feel free to call the school office before 9am if you would prefer to talk to an Office Staff Member

We have a lot of unnamed school uniform in school, could you please pop in and claim it as soon as possible! Please name your child belongings. We will hold a uniform sale later in the term for items not collected.

Coming soon..... Year Group 'Lost Property' bins will be located within school.

## Sports Clubs:

Sports clubs before and after school are running well, please remember that your child needs to be on time for the session. Please help us by dropping off your children five minutes before the beginning of each session at the hall doors by the KS2 Playground. To collect, please come to the doors near the staff car park. We want to make sure all the children are safe and we do not have adults available to supervise them any earlier than this. Thank you.

## EYFS

Last week we were learning all about our senses. We tried some brilliant volcano experiments, had scented playdough to use and described the taste of different fruits. We also went on a listening walk to the Key Stage 2 Trim Trail which the children loved! They demonstrated great team work, listening skills and encouraged each other to have a go. This week we are learning about nursery rhymes, so it would be great if you could practise some of your favourites at home. Please add them to Tapestry so that we can share them in school too.

## KS1

HB3 and HB5 have enjoyed baking this week. They took over from Thomas Farriner (who caused the Great Fire of London) to bake bread. Thankfully, they remembered to turn off the oven! HB4 are looking forward to designing and baking their own bread over the next few weeks.

## KS2

In computing in Year 6 we have been learning about internet safety. We have been discussing how to keep ourselves safe online as well as what we should do if we encounter inappropriate material. We looked at cyberbullying in greater depth and made posters to highlight the issue for other children. These posters have been put up around school. See the attached examples of excellent work.

# NO CYBERBULLYING

Cyber-bullying is NOT OKAY!

All cyber-bullying does is make people feel bad about themselves

It lowers self-esteem and makes them think okay websites are not okay

How to avoid cyber-bullying:

**STOP**  
**cyberbullying**

1. Don't accept friend requests from people you don't know personally

2. Don't talk to random people

3. Tell your parents or guardian about random messages and friend requests from people you don't know

# CYBERBULLYING

by Tonisha and Thalia

Cyberbullying is bad! Here are tips to avoid it:

- 1: Block them!
- 2: Report them!
- 3: Tell an adult if it is serious!
- 4: If it's REALLY SERIOUS, call the police!
- 5: Don't keep it inside! Talk to someone you know

## WORDS HURT

What can you do to STOP cyberbullying?

***YOU ARE NOT ALONE!***
