## Think you know what your child is accessing online?

Next week, on Friday 12th at 2pm we will be hosting a workshop for parents. We have been constantly bombarded with games and social media sites that 'seem' friendly and harmless...unless you know more about the dangers, you could be supporting your child to engage with people they do not know!!

### **Is your child safe online? How do you know?**

Do you know that children at St Francis have told us they play games online suitable for 18 year olds? This is because the content is too explicit for under 18s! but some of our pupils 'play' on them.

Do you know that many of our children at school have their own You Tube Channel; some with followers that are adults, sending messages and 'likes' from the photos and clips they post?

Do you know that many of the APPs are illegal for children under the age of 13 to access or have their own account?

### **Still Think You Know?**

**Don't just assume your child knows better, or assume they are safe as there are only texting or messaging friends. Would you let them talk to strangers in the park? Then why allow them to engage with strangers online**

**Come along...you will be amazed and shocked at what you 'think you know!'**

**REMINDER:**

We have a Teacher Training Day on Friday 26<sup>th</sup> October so will be breaking up for half term on **Thursday 25<sup>th</sup> October.**

Children will return to school on **Monday 5<sup>th</sup> November.**

**Dinner Menus**

In the next couple of weeks, the **winter dinner menu** will be sent out. They will need filling in and returning as soon as possible as the kitchens need to order provisions in advance.

If the menu is **not returned**, your child will automatically be put on 'dish of the day'.

**Please note that packed lunches will still need to complete the menu.**

**The winter menu will not be starting until Monday 5<sup>th</sup> November.**

Please remember that your child will need to bring their PE kit on a Monday and leave until a Friday. This will ensure they participate in every PE lesson.

They should also bring their reading book to school every day for staff to change them or listen to your child read.

**Thank you!**
