Dear Parent / Carer

### Flute Lessons

Sadly, for the first time in many years, we do not have any children in school who are learning to play the flute. Today, Mr Gawkowski, has been in school to show the children just how beautiful this instrument sounds.

We realise that the cost of flute and violin lessons at £62.42 is expensive compared to the cost of drum or guitar lessons. The reason for this is that we have a large number of children wanting to play the guitar and drums and are therefore able to employ the teachers directly. However, we have to use Luton Music Service for the flute, violin or clarinet.

We would like to encourage children to have the opportunity to try these instruments so are therefore offering flute lessons at a subsidised rate for the first term only.

For a weekly lesson, between now and Christmas, the charge will be £36.00. We have our own flutes at school so it will not be necessary to pay the hire fee from Luton Music Service. If children want to carry on with the lessons in January the lessons will then go back to £62.42.

If your child is interested in playing the flute, please return the consent form and payment by Friday 12<sup>th</sup> October to enable us to start the lessons next week.

Please do not hesitate to contact us if you require any further information.

Yours faithfully

J Wightman  
Head Teacher
