Dear Parent / Carer

Annual Flu Vaccination

The children's flu vaccine is offered as a yearly nasal spray to children to help protect them against flu. In the autumn/winter of 2018/19, the vaccine will be available free on the NHS for children in years 3,4,and 5.

The school nurses will be attending our school on Monday 3rd December to administer the vaccine to all children who have returned the attached consent form. We have also attached some additional information about the vaccine.

To enable your child to receive the vaccine, we must have the consent form back by Friday 2nd November.

If you quire any further information, please do not hesitate to email us on school@sundonpark.luton.sch.uk.

Yours faithfully
