19th October 2018

Dear Parent/Carer

Bikeability Cycle Training

We have been extremely fortunate to have received funding to improve our children's knowledge on road safety and that of the wider community. Part of the funding is being used to give all the children in year 5 and 6 bikeability training.

We have attached a cycle training fact sheet and a consent form that will give you more information. Please return the consent form by Friday 19th October if your child would like to participate. Unfortunately due to the nature of this training, children who have not returned the consent form will be unable to take part.

Children will spend 5 days either in the morning or afternoon being taught how to stay safe on the road. Training is carried out on the playground and on the road. Please encourage your child to participate in this fully funded course that will teach them vital life skills.

If your child does not have a bike we can arrange for them to borrow one for the duration of the course. If children struggle to ride a bicycle there will be a group for those not so confident.

If you require any further information, please do not hesitate to email us on **school@sundonpark.luton.sch.uk**.
