

Week 6

Friday 12th October 2018

This Week

The 'Mayor of London' from 1666 came to visit. The children pretended to be Londoners and told the Mayor what they thought about how he handled the Great Fire of London and told him what they wanted now. They decided that we needed to build a fire station where men and women can train to stop a great fire happening again. The children have worked extremely hard and the grand opening of the fire station will be happening on Monday! (If you have any role play fireman things we could borrow for a while we would be very grateful!)

The children pretended to be Samuel Pepys this week and wrote a speech bubble about what he would say when he looked out of his window. Next week they are going to have a go at writing a diary as him.

In maths the class have learnt 2 new words greatest and least. They used these words to help them order numbers and objects. Next week the class will be exploring addition.

FYI

- Chrissie (Archie's mum) is Year 1's parent focus representative. Thank you Chrissie!
- KS1 Disco- Friday 12th October 5:30pm-6:30pm
- Parent Consultations are Tuesday and Thursday

Don't forget parents' evening!

Changing

Year 1 have a challenge in class of getting changed to and from PE in 5 minutes. Some of the class find this quite tricky so please practice with your child at home. I bet you'll get to places quicker!

Mrs Dunk's message

I look forward to seeing you all at parents evening next week, if you haven't yet booked an appointment please do come and see me.

We have been looking at the toy situation that seems to be growing throughout the whole school and have made the decision that no toys/things from home to play with are to be brought into school at all. The children have been spoken to but please remind them. In Year 1 we are happy to share stories and items that link with our learning and interests from home so they can continue to come in but they will be held on my desk. Thank you in advance for your support.
