

THE FLYING START FEDERATION

Attendance Policy

Registered pupils of compulsory school age are required by law to be in school.

Mission Statement

We provide high quality teaching and learning to ensure that every child reaches their full potential for academic, creative, sporting and personal achievements.

Our ambition is to inspire your child with a thirst for learning based on our agreed core values (respect, kindness, honesty, courage and forgiveness) by encouraging a confidence to face individual learning challenges. Pupils will be prepared both socially and emotionally within a safe, happy and inclusive environment in readiness for the next stage of their education.

We strive for excellence and expect our pupils to be the very best they can so that they are flying high from the very start.

In striving to enable each child to reach their full potential, The Flying Start Federation aims to maximise attendance and punctuality by working with children and their parents.

Rights and Responsibilities

Federation:

- Federation expects pupils to attend school regularly and to arrive in a fit condition to learn
- Federation will encourage good attendance and will investigate all absenteeism.
- Federation staff will set a good example in matters of attendance and punctuality and will promptly investigate all absenteeism and lateness.
- Federation will work closely with parents should attendance / punctuality give cause for concern.

The class teacher has a vital role to play in maintaining this high profile and, in order to ensure the school's effectiveness, should bear the following points in mind and implement the school policy.

Children who enjoy school are far less likely to incur unnecessary absences than those who feel unsure or anxious. It is, therefore, essential that staff actively seek to promote the *caring ethos of the school* and that children on their entry to school are greeted cheerfully and with a personal word of welcome. Class teachers need to be alert to the child who comes into school looking fraught or under the weather and to take appropriate action quickly. An awareness of children who experience difficulty in relating to and being accepted by others is most important as is vigilance with regard to early signs of bullying.

Pupils:

- Pupils will be keen to attend regularly and on time.
- Pupils will be listened to and respected.
- Pupils will have individual records of attendance / punctuality acknowledged by the school.

Parents:

- Parents are responsible for ensuring their children attend school regularly, punctually and are properly dressed and in a fit condition to learn.
- Parents are responsible for informing the school at once of the reason for any absence (by letter, phone
 call or personal visit).
- Parents are required to complete a Request for Authorised Absence to notify the school of planned absence from school. Authorisation of planned absence from school will only take place in exceptional circumstances (see below).
- Parents can expect the school to keep them fully informed of their child's progress and attendance.

Absence

All absences must be explained by parental note / message. The school will then decide whether or not it will authorise the absence. All messages received by the Head Teacher, admin staff or any other member of staff will be conveyed to the appropriate class teacher. If no information from home is forthcoming, teachers will inform the school office who will contact the child's parents. If they cannot be reached the school will attempt to make contact with other numbers listed as emergency contacts, to ascertain the whereabouts of the child. If that is not possible the school will risk assess the safeguarding of that child and then possibly contact the police via 101 or 999 numbers if there are safeguarding concerns.

Absence from school will be authorised if it is for the following reasons:

- Sickness
- Unavoidable medical / dental appointments
- Days of religious observance
- Exceptional circumstances, such as bereavement

Absence from school will not be authorised for:

- Shopping
- Looking after brothers, sisters or unwell parents
- Minding the house
- Birthdays
- Holidays

The law says that parents DO NOT have the automatic right to take their child out of school during term time. However, in exceptional circumstances school may authorise, in advance, requests for periods of leave.

• School will look at the number of absences in the previous academic year, looking particularly at any previous requests for absences during term time. If a child's attendance fell below 95% last year, it is less likely that authorisation would be granted.

- The school will not authorise any requests for absence in the first three weeks of the school year and
 for any time in May before the SATs (this is assessment time when it is important that all children are in
 school).
- School will also take into account the child's age, stage of education and educational progress when making a decision.
- School may ask for confirmation or proof that the suggested time of leave is the **only** time that can be taken by the family due to, for example, work commitments. It is not the school's decision to fine parents for unauthorised absences, but the decision of Devon's Educational Social Welfare Service.

Fines for unauthorised absence

It is now Devon County Council policy to issue Penalty Notices or fines for 10 (half day sessions) or more of unauthorised absences within a six month period. Details of the implementation of fines can be found in Devon County Council's Penalty Notice Code of Conduct, of which the following is an extract: "Following the implementation of the Anti-Social Behaviour Act 2003 it is possible that certain cases of unauthorised absence can be dealt with by way of a Penalty Notice. Penalty notices will require the parent of a child of compulsory school age, whose attendance has been unsatisfactory, to pay a fine, currently £60.00 if paid within 21 days or £120.00 if paid within 28 days.

These Penalty Notices can be issued for unauthorised holidays within term time and unauthorised absence from school when the circumstances appear to have been avoidable, (e.g. child too tired after a late night, a birthday treat, family friends/relatives visiting). For more information visit

https://new.devon.gov.uk/educationandfamilies/school-information/school-attendance/absence-from-school-penalty-notices

Appointments

Children's appointments, where possible, should be made after 3.30pm. If this is not possible, information will be required in relation to:

- Who the appointment is with (e.g. the doctor, the dentist, the optician, the hospital)
- The length of time out of school required
- The expected time of return
- Whether or not the child will require a school meal that day
- Appointment cards where possible should be shown at school.

If parents need to collect their child from school, it is important that school has been informed beforehand. Children will not be allowed to leave school during the school day if they are unaccompanied. The parent or authorised adult should collect their child from the reception and it is the responsibility of the parent to complete the sign-out book.

Registration (Including Lateness)

Morning registration period between 9.00 am and 9.10 am

Afternoon registration period is between 1:15pm and 1:25pm or 1.30 to 1.30pm at Parkham

Morning registration will take place at 9.00am and the register should be filled in very carefully. Children who have a regular job at this time should report to the class teacher before embarking upon their tasks, otherwise children should not be asked to do jobs at this time unless this is within their own classroom. Children should not be given an absent mark before 9.00am. All children must be given a mark of some kind before the register is completed. Please see Appendix A for marking the register.

Procedures for following up Absence/Lateness

- 1. Teachers, having the daily contact with the children and registers, make note of absences on the register and follow up absence where there is no message from the parent or carer, immediately after registers close at 9 .10 am paying particular attention to those children who come into school by bus or taxi. Calls to parents concerning absence of these children should be made first. (see first day contact procedures)
- 2. All unexplained absences are followed up by contact verbally with the parents / carers to establish reasons for absence.
- 3. If an explanation for the absence is not forthcoming (i.e. by telephone) and other contact numbers have been tried staff that are concerned as to the whereabouts of a child will call Police or MASH if serious safeguarding concerns are held.
- 4. If a child's attendance falls below 95% but above 90%, parents/carers will be informed through an attendance report -Appendix C. Where absence is attributed to illness, evidence of medical intervention may be asked for.
- 5. If attendance continues to cause concern or there are recurring concerns or attendance fall below 90% which is classed as persistent absence, Parents/Carers will be invited to a meeting with the Headteacher. This could lead to a referral to the Educational Welfare Officer (EWO) particularly if there are safeguarding concerns
- 6. Where there is a concern that a child may be truanting, contact will be made with the parents / carers immediately.

Strategies for promoting attendance / punctuality

- Parents, pupils and staff are to be made aware of the importance of good attendance including distribution of information where appropriate. An information leaflet about attendance is included in the new starters pack and regular reminder in the newsletter
- The school will award certificates through its usual praise [behaviour] policy to pupils whose attendance / punctuality is much improved.

- Parents of pupils whose attendance falls below 95% will be informed via an attendance report.
- Pupils are to be constantly reminded of the importance and value of good attendance. Each term certificates are awarded for attendance of 95% and above and 97% and above and 100% in that term. At the end of year bronze, silver and gold certificates are awarded for attendance. Plain- for most improve attendance but under 95%, Bronze 95% and above, Silver 97% and above and Gold 100% attendance over the whole year
- Termly reports will be made by the Headteacher to the school's Governing Board on the issue of attendance / punctuality.

Equal Opportunities

We aim to offer an education and working environment appropriate to each individual pupil's needs regardless of their race, colour, ethnic or national origins, gender, disability or religious beliefs.

APPENDIX A: Marking the Register

The marking of registers can sometimes become so routine that its importance is lost. However, incomplete or inaccurate registers are unacceptable for several reasons. Registers provide the daily record of the attendance of all pupils; they are documents that may be required in a court of law, for example as evidence in prosecutions for non-attendance at school. They also contribute to pupils' end of term reports. For these reasons registers are done directly onto online Sims Register which is accessible through teacher PCs.

The coding for the marking of the register is accessed by right clicking over the attendance box.

Beside each child's record for the week is a space for notes relating to absence. This should be filled in with why the child was absent, e.g. parent phoned, letter received about doctor's appointment, holiday authorised.

If an absence is unexplained, the absences will followed up, in the first instance by the teacher, but later by the school administrator or headteacher

APPENDIX B: Attendance Targets

THE GOVERNING BOARD OF THE FEDERATION HAS SET AN ANNUAL ATTENDANCE TARGET OF 97%

APPENDIX C ABSENCE LETTERS STANDARD WORDING

EXECUTIVE HEADTEACHER: MRS GINA FINCH

The Flying Start Federation

School Attendance Re: Date:_____ Dear____ Child's Name: Class: I am writing to inform you that attendance has dropped below 90%. A copy of registration certificate is enclosed for your attention. The certificate shows attendance is currently ..%. I appreciate that occasional absence due to illness is unavoidable. However, it is important that attendance improves to ensure that he/she receives the best education possible whilst at Parkham/Buckland Brewer Primary school. If there are any issues that you wish to discuss or there are any ways in which we can help to improve attendance, please do not hesitate to contact me. Yours sincerely, Mrs Gina Finch

Executive Head Teacher

The Flying Start Federation Executive Headteacher: Mrs Gina Finch School Attendance (2) Re: Date:____ Dear___ Child's Name: Class: Since we wrote to you on <INSERT DATE OF 1ST LETTER>, «chosen_forename»'s attendance has failed to improve significantly, and is below what we would expect. A copy of «chosen_forename»'s registration certificate showing a breakdown of days absent and their overall attendance percentage of «percentage_attendance» is enclosed for your attention. Ongoing low attendance is a factor often linked to low levels of academic success, therefore it is important that low attendance is dealt with as early as possible. We wish to help «chosen_forename» to improve «his_her» attendance and would appreciate your support to make sure attendance improves. Therefore, I would be grateful if you could please contact me within the next seven days to arrange a meeting to discuss and set out a plan for improvement of «chosen_forename»'s attendance to ensure that «he_she» receives the best education possible whilst at ****** Primary School. Please note a failure to contact the school within the timescale stated above may result in a referral to the Education Welfare Office. Yours sincerely,

Mrs Gina Finch

Executive Headteacher

Attendance Report

(Sent to parents when Child's attendances fall below 95%)

Dear Parent/Carer,

Good qualifications, understanding responsibility, making friends and the chance to grow as an individual are all important ingredients in a child's educational experience. For this to happen children need to attend school regularly. Children with poor attendance may fall behind with school work and will not make as much progress in their learning as they are able

Each term the school monitors attendance and where attendance fall below 95% and rag rates the concern the school has about the absence and the impact this is having on progress.

Green- the school has low concern

Amber- the school is monitoring attendance

Red- school is concerned about impact of absence on progress
