

In maths, we will be...

- Counting in 2's, 3's, 5's and 10's
- Adding and subtracting one and two digit numbers
- Using place value and number facts to solve problems
- Solving problems that involve addition, subtraction, multiplication, division in a variety of different contexts
- Recognising odd and even numbers
- Recalling and using multiplication and division facts
- Identifying 2D and 3D shapes
- Estimating and measuring using standard units
- Recognising, naming and using fractions
- Learning how to use the inverse operation
- Using mathematical language to describe position and direction

In science, we will be ...

- Exploring different plants
- Learning what plants need to grow and survive
- Growing and looking after our own plants
- Understanding the life cycle of plants

In Computing, we will be...

- Creating a leaflet about castles
- Using a variety of search engines
- Gathering information through independent research

TURRETS & TIARAS

In Geography, we will be...

- Using maps to locate and name different places in the world
- Identifying places within the UK
- Using geographical language to sort human and physical features
- Exploring the location of a variety of castles

In Art, we will be...

- Using sketching and painting to create portraits
- Exploring and using printing to create original stamp designs

In D&T, we will be...

- Designing, making and evaluating products
- Using a range of tools and equipment

In PSHE, we will be...

- Learning about the life cycle of growing from young to old
- Recognising the differences between boys and girls
- Understanding how we have changed since we were babies

In History, we will be...

- Looking at significant individuals from the past
- Investigating historical buildings
- Exploring the impact of the royal family
- Learning about medieval roles from the past

In English we will be...

- Using and exploring fiction and non-fiction books linked to our topic
- Writing well punctuated sentences and regularly writing at length
- Learning new spelling rules and patterns
- Writing for purpose, creating our own stories, recounts, lists, instructions and poems
- Practising our letter formation and joined up handwriting
- Practising and embedding how to write in the past and present tense
- Learning and using expanded noun phrases and descriptive vocabulary
- Extending our writing with conjunctions
- Developing and embracing a love of reading
- Building upon our comprehension and inference skills

In Music, we will be...

- Exploring and identifying the pitch and rhythm
- Performing songs using musical instruments
- Learning songs linked to our topic

In RE, we will be...

- Identifying special books
- Comparing Christianity and Islamic traditions

In PE, we will be...

- Continuing to build on our games, dance and gymnastic skills
- Practising skills in preparation for sports day
- Learning why exercise is important for our bodies
