

Dear Parent/Carer,

At some stage in the past, the school has been informed that your child  
\_\_\_\_\_ has asthma.

In order to keep your child safe at school and our records up to date, please fill out the following and return to the school office as soon as possible.

My child no longer has asthma and does not need an inhaler in school

**OR**

My child currently has asthma but does not need an inhaler in school

**OR**

My child currently has asthma and needs an inhaler in school

a spacer in school

Signed \_\_\_\_\_ (parent/carer)

If your child has asthma and needs an inhaler and/or a spacer in school, we would be grateful if you could fill in the form attached to this letter and return it to school as soon as possible. This will be kept in school as a record of your child's asthma treatment. Please let us know if your child's regular treatment is changed at any time so that their record can be updated. Please ensure that your child has an in-date inhaler in school that is clearly marked with their name.

Yours sincerely,

M. Buckley, Executive Headteacher
