

Discovery School Sport Premium Funding Report 2017-2018

The document below outlines how we intend to spend our sports funding. It is a working document so will be updated throughout the year.

Discovery Primary School will ensure that the improvements gained from the Sports Funding will be sustainable going forward.

Service	OfSTED guidelines of expected impact	Activity	Impact	Available From	Cost Incurred
PE support from Stanground Academy	-The increase and success in competitive school sports' the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics' -The improvement in partnership work on physical education with other schools and other local partners'	PE forums Newsletter Play leader training KS1 Multi-skills training Festivals and competitions CPD Sport Plan website access	Stanground have run a full calendar of level two competitions covering a broad range of sports (tennis, football, netball, tag rugby, quick sticks etc ...), which have motivated and enthused the children.	Stanground academy	£1500
In house sports coach	-The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics -The increase and success in competitive school sports -How much more inclusive the physical education curriculum has become -The growth in the range of provisional and alternative sporting activities -The improvement in partnership work on physical education with other schools and other local partners	Sports coach to plan and deliver high quality PE lessons throughout the school. To run a variety of clubs throughout the year. To ensure equipment is tidy and updated. To support with the organisation and running of competitions.	The sports coach has run a full calendar of extra-curricular sporting clubs throughout the year which have been well attended (see below), and the children have enjoyed. This has given the children access to clubs that they wouldn't otherwise have, and raised the profile of sport in school The sports coach has also delivered high quality PE provision across the school. The sports coach has been observed and performance managed.	Discovery	£651 of sports premium budget to cover the cost of clubs (rest to be covered through school budget)
1 x coach from Stanground	-The increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics	Sports coach from Stanground Academy to take classes from years	Liaison between the PE lead and Stanground has ensured that the PE coverage has been consistent with the	Stanground Academy	£3600

<p>Academy</p>	<p>-The increase and success in competitive school sports -How much more inclusive the physical education curriculum has become -The growth in the range of provisional and alternative sporting activities -The improvement in partnership work on physical education with other schools and other local partners</p>	<p>1-5 to deliver high quality P.E lessons.</p>	<p>school's long-term overview. Class teachers and coaches converse regularly to discuss progress in PE.</p>		
<p>Festival and competition costs</p>	<p>-The increase and success in competitive school sports' the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics'</p>	<p>Costs incurred for the children to be taken to the competitions and festivals (transport etc.)</p>	<p>The school has attended numerous level two tournaments throughout the year at Stanground Academy, as well as fixtures between other local schools. The ability to fund transport costs is vital to ensuring that the children have access to this opportunity. Access to tournaments has had a positive impact on behaviour, as participation is predicated on consistently good behaviour. We have had some excellent success at the tournaments, it has raised the profile of PE and the children have through ughly enjoyed them.</p>	<p>PE co-ordinator to organise these through Stanground and other schools</p>	<p>£8000</p>
<p>Updating equipment</p>	<p>-How much more inclusive the physical education curriculum has become'</p>	<p>To ensure that we have the appropriate equipment to carry out high quality PE lessons.</p>	<p>Through the role of our PE coach, we have been able to organise and order equipment when necessary. Through learning walks it has been clear that equipment has been available, lessons have run smoother and children are being taught the key skills</p>	<p>Discovery to order through chosen company</p>	<p>£2500</p>

Competition Kit	-The increase and success in competitive school sports' the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics'	A discovery sports kit for children to wear when they take part in competitions to promote being part of a team.	The kit has been vital in giving our children a sense of identity. They have been proud to wear it and proud to represent the school. It has made them feel part of a team.	Discovery to order through chosen company	£270
Assessment Package	Plan learning in PE that builds on what pupils of all abilities already know, understand and can do, and identifies what pupils need to do next in order to improve.	An assessment package has been bought in to support teachers with assessing and progressing their class in PE.		Allison Consultancy	£569
A range of sporting opportunities for the children	Tailor the curriculum - identify 'non-participants' in extra-curricular sport and provide additional activities to encourage their immediate and longer-term participation in sport and physical activity. Forge links with a wider range of external sports clubs to achieve sustainable ways of engaging all pupils in physical activity and sport.	Hiring outside agencies to work alongside the children to give them a range of different sporting opportunities.	Children were able to experience activities that they have not tried before. They learnt to empathise with people with disabilities and learn adapted sports designed to cater for people with disabilities.	Power House Games	£450
CPD training for staff	Ensure that the professional development of staff is systematically planned and tailored to the individual needs of teachers and classroom assistants	MOT training to support teachers in the teaching of PE and some additional support for the PE coordinator.	MOT and STEP training was provided to all staff during staff meeting CPD time. The feedback from class teachers was positive, and has had a good impact on PE lessons. The detail of the CPD was shared with the PE coach, who has worked hard to embed the approach in his PE teaching.	Allison Consultancy	£500
NSPCC	Ensure that specific emotional needs of pupils	Weekly intensive		NSPCC	£45 per session

counselling for identified individuals	are met.	sessions with a trained counsellor.			£720 per child (16 sessions) x4 £2880
					Total: £20,920
