

Complaints Procedure

(derived from the updated Surrey County Council Model Policy September 2018)

Date adopted	September 2017	Owner	EHT
Last reviewed	September 2018	Review cycle	Annual

Introduction

St. Martin's Schools endeavour to provide the best education possible for all of its pupils in an open and transparent environment. We welcome any feedback that we receive from parents, pupils and third parties, and we accept that not all of this will be positive. Where concerns are raised the schools intend for these to be dealt with:

- Fairly
- Openly
- Promptly
- Without Prejudice

In order to do so, the Governing Body of St. Martin's Schools has approved the following procedure which explains what you should do if you have any concerns about the schools. All members of staff will be familiar with the procedure and will be able to assist you.

Raising concerns

The majority of concerns can be dealt with without resorting to this procedure. Where you have a concern about any aspect of the schools or your child's education or wellbeing, raise this with your child's class teacher via telephone, email or in person. He/she may be able to address your concerns straightaway, or arrange a meeting with you to discuss the issue.

All concerns will be dealt with confidentially, although the staff member may need to take notes if they feel that the matter may need to be taken further or it may arise again in the future. Any such notes will be kept in accordance with the principles of the Data Protection Act 2018 and the school's data protection policy. However, such notes would be able to be used as evidence if further investigation was required, or if the concern became a formal complaint. No party involved in the complaint will be permitted to make an electronic recording of any conversation or meeting without obtaining prior permission from all other parties.

Which procedure do I need?

Sometimes, when concerns are more specific, there are alternative and more appropriate policies for dealing with them. The following list details specific topics of complaints, and the correct policy to refer to. You can access these policies on the schools' website or ask for a copy from the school office.

- Child protection/safeguarding; Surrey Safeguarding Children Board procedures apply (<http://www.surreyscb.org.uk/>). For further information contact the Surrey County Council (SCC) Contact Centre on 0300 2001004. If at any time a child protection concern becomes apparent, the Safeguarding Policy takes precedence over the complaints process, which will be halted until the child protection matter is resolved.
- Pupil admissions; please see the schools' Admissions Policy or contact the person in charge of Admissions.
- Pupil exclusions; please see the schools' Behaviour Policy, Exclusion Policy or Department for Education (DfE) Guidance on Exclusions (www.gov.uk).
- Statutory assessments of Special Educational Needs and Disability (SEND); refer to the Surrey Local Offer website (www.surreysendlo.co.uk) or contact the Local Authority where you live.
- Staff grievance, capability or disciplinary; these are covered by the schools' Grievance/Disciplinary/Capability/Whistleblowing Policies

- Where the complaint concerns a third party used by the schools, or a third party which uses the school premises; please complain directly to the third party themselves.
- Subject Access Requests and Freedom of Information Requests; please see the schools' Data Protection and Freedom of Information Policy.
- Complaints regarding discrimination and harassment based on protected characteristics as defined in the Equality Act 2010; the Complaints Procedure applies but the complainant has a further right of appeal to SENDIST (Special Educational Needs and Disability First Tier Tribunal) for complaints about disability discrimination or to the County Court for all other unresolved disputes regarding protected characteristics.

Anonymous complaints will be investigated as far as possible.

Safeguarding

Wherever a complaint indicates that a child's wellbeing or safety is at risk, the schools are under a duty to report this immediately to the Local Authority. Any action taken will be in accordance with the schools' Safeguarding Policy which can be found on the schools' website.

Social Media

In order for complaints to be resolved as quickly and fairly as possible, St. Martin's Schools request the complainants do not discuss complaints publically or via social media such as Facebook and Twitter. Complaints will be dealt with confidentially for those involved, and we expect complainants to observe confidentiality also.

Complaints that result in staff capability or disciplinary

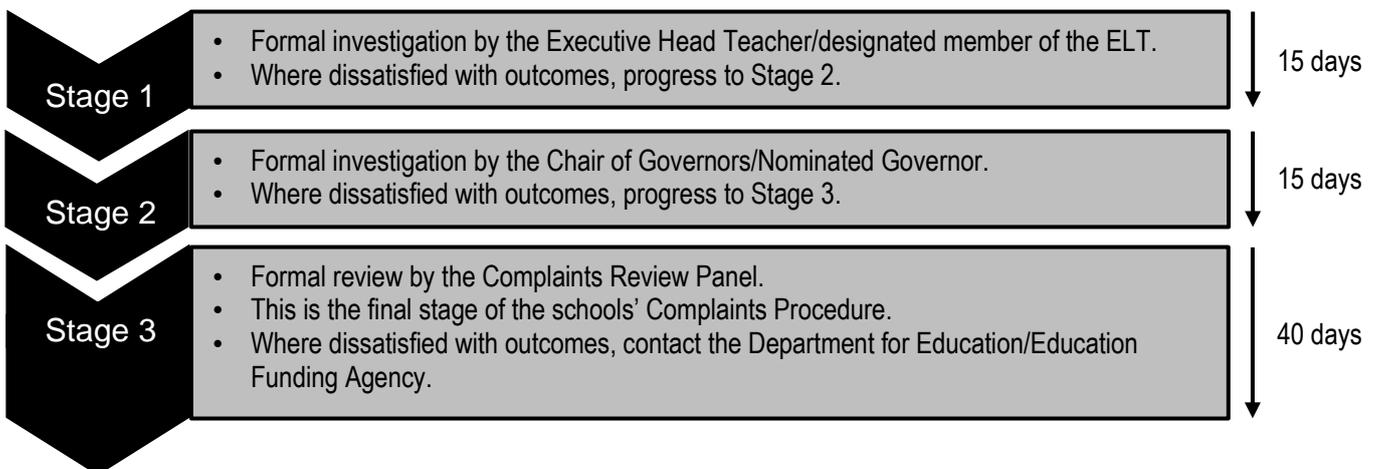

If at any formal stage of the complaint it is determined that staff disciplinary or capability proceedings are necessary in order to resolve the issue, the details of this action will remain confidential to the Executive Head Teacher and/or the individual's line manager. The complainant is entitled to be informed that the matter is being dealt with appropriately, but they are not entitled to participate in the proceedings and will not receive any detail about them or the outcome.

Procedure

If you need to raise an issue in the first instance, please do so with the relevant member of staff who will be happy to talk to you and seek to establish a resolution. If you are not satisfied with this response and believe the issue has not been resolved, please use the formal Complaints Procedure as detailed below.

Timeline for formal complaints

All timescales in this document refer to school working days ie. excluding weekends, school holidays, Inset days etc.

Timeframes

St. Martin's Schools will endeavour to abide by timeframes stated under each stage. However in some circumstances this is not always possible due to the complexity of information needed to review a complaint, difficulties regarding an individual's availability to deal with the complaint, or because of issues that are outside of the schools' control. If it becomes apparent that it is not possible to complete any stage of the Complaints Procedure within a given timeframe, the individual responsible for handling the complaint will contact the complainant as soon as possible and come to an agreed timeframe that works for all parties involved.

St. Martin's Schools reserve the right **not** to investigate complaints that have been made three months after the subject of the complaint took place, except in exceptional circumstances. What is meant by exceptional circumstances is where new evidence has come to light, where the complaint is of an especially serious matter or where there is reasonable justification for why the complainant has been unable to raise the complaint before this time. In such circumstances the Executive Head Teacher and/or the Chair of Governors will review the situation and decide whether or not to enact the Complaints Procedure, informing the Chair of Governors of the decision.

Who should I approach at the informal stage of a complaint?

This will vary greatly depending on the size of school, whether it is a primary or a secondary school, or whether the school is part of a group of schools in a multi-academy trust or a federation. Some suggestions have been included, but this section should be amended to apply to your schools:

Educational matters: Class teacher

Pastoral care: Class teacher

Disciplinary matters: the staff member who initiated the sanction

Financial/Administration matters: School Business Manager

Complaint about a staff member's conduct: direct approach to the staff member themselves, or where this is thought inappropriate/ does not resolve the situation, a member of the Executive Leadership Team.

Complaints about the Executive Head Teacher or the Governors

Where a complaint concerns the Executive Head Teacher, the complainant should first directly approach the Executive Head Teacher in an attempt to resolve the issue informally. If the complainant is not satisfied with this outcome, or if they have good reason to feel it is inappropriate to approach the Executive Head Teacher in the first instance, they should notify the Clerk to the Governing Body (see contact details at the end of the document). The Stage 2 process will then commence.

Where a complaint concerns a Governor the complainant should contact the Clerk to the Governing Body. Informal resolution will be sought, but where this fails, the Complaints Procedure at Stage 2 will take immediate effect with the Chair of Governors/ Nominated Governor undertaking the investigation. Where a complaint concerns the Chair of Governors, the investigation will be carried out by the Vice Chair of Governors/Nominated Governor.

In exceptional circumstances the Governing Body may appoint an independent investigator to look into the concerns.

If the complaint is not resolved then the complainant should write to the Clerk to the Governing Body, requesting that the complaint is considered by the Complaint Review Panel.

Formal stages of the Complaint Procedure

Stage 1 - Investigation by the Executive Head Teacher/designated member of the ELT

If it has not been possible to reach a resolution at the informal stage, the complainant may progress to the formal Complaint Procedure. In doing so, the following steps will be followed:

1. Complainant contacts the Executive Head Teacher.
2. The complainant must explain in writing:
 - Details of the complaint.

- Action taken so far and solutions offered.
- Why the complaint remains unresolved.
- What action they would like to be taken to resolve the problem.

If the complainant has difficulty in expressing themselves in written English, in accordance with the Public Sector Equality Duty (under the Equality Act 2010), the school will make reasonable adjustments to allow the complainant to be expressed in another way.

3. Receipt of the complaint will be acknowledged. It is likely that the complainant will be invited to meet with the Executive Head Teacher or designated member of the ELT to discuss the matter.
4. At the meeting the concerns will be discussed and resolution will be sought. If agreement can be reached at that point on a way forward which is satisfactory to all parties, this will be confirmed in writing following the meeting. If the issues are not resolved by the end of the meeting, the Executive Head Teacher/designated member of the ELT will then commence a full investigation.
5. The Executive Head Teacher/designated member of the ELT will provide the complainant with written confirmation of the outcome of their investigation within 15 days of receipt of the written complaint. If the complainant is not satisfied with the outcome, he/she is able to progress to Stage 2 of the complaints process.
6. The Executive Head Teacher/ELT will make and retain a record of the concern and the outcomes of the investigation.

Stage 2 - Investigation by the Chair of Governors/Nominated Governor

1. The complainant should submit a Stage 2 complaint form to the Chair of Governors (see Appendix B for the contact details of the Chair of Governors, and Appendix D for a copy of the form). The form is important as it ensures that relevant information is communicated at the outset.
2. The Chair of Governors may choose to delegate the investigation of the complaint to a Nominated Governor.
3. Receipt of the complaint form will be acknowledged. In most cases the complainant will be invited to meet with the Chair of Governors/ Nominated Governor at the outset of the process.
4. The Chair of Governors/Nominated Governor will consider all relevant evidence; this may include but is not limited to:
 - evidence and outcome from Stage 1 investigation if applicable;
 - a statement from the complainant;
 - where relevant a meeting with/statement from an individual who is the subject of the complaint ;
 - any previous correspondence regarding the complaint;
 - any supporting documents from all parties;
 - interviews with/statements from anyone related to the complaint.
5. After considering the available evidence, the Chair of Governors/Nominated Governor may:
 - uphold the complaint and direct that certain action be taken to resolve it;
 - not uphold the complaint and provide the complainant with details of the Stage 3 complaint review process;
 - uphold the complaint in part: in other words, the Chair of Governors/Nominated Governor may find one aspect of the complaint to be valid, but not another aspect. They may direct for certain action to be taken to resolve the aspect that they find in favour of the complainant.
6. The Chair of Governors/Nominated Governor should inform the complainant of their decision in writing within 15 days of receipt of the complaint. They should explain clearly why they have come to the decision that they made. They should detail any agreed actions as a result of the complaint. Finally, they should provide the complainant with details of how to progress the complaint to Stage 3 if they are not satisfied, providing them with the contact details of the Clerk to the Governing Body (Appendix B). Should the complaint not be resolved mediation may be helpful. This can be arranged through the Area Schools Support Service and will be impartial and objective.
7. A log of all correspondence in relation to the complaint will be kept in accordance with the Data Protection Act 2018.

Stage 3 - Complaint Review Panel

The following section, Stage 3, will be the final stage for most schools. However, where a school is a member of a MAT, following review by the local Governing Body, the complainant may have the option to write to the academy trust if he/she is not satisfied with the outcome. MATs should set out how they are delegating responsibility for complaints.

In order to proceed to Stage 3, the complainant must complete the Stage 3 Formal Complaints Form (Appendix E), identifying the reasons why they feel that the complaint has not been fully investigated thus far, which element(s) of their complaint remain unresolved, and what outcome they are seeking from the Stage 3 Complaint Review. The complainant should inform the schools if they require help with completing the form. The complainant must complete and return the form within 10 days of receiving the Chair of Governor's/Nominated Governor's decision or it will not be considered, except in exceptional circumstances.

If the complainant has difficulty in expressing themselves in written English, in accordance with the Public Sector Equality Duty (under the Equality Act 2010), the school will make reasonable adjustments to allow the complainant to be expressed in another way.

The aim of the Complaint Review Panel meeting is to review how the schools have managed the complaint, not to reinvestigate the complaint itself. This will include reviewing evidence and outcomes from Stages 1 and 2, and evaluating whether the schools have followed its policies and procedures. Consideration should also be given to achieving reconciliation between the schools and the complainant however, it has to be recognised that this is not always possible.

The Clerk to the Complaint Review Panel will fulfil the role of organising the time and date of the review meeting, inviting all the attendees, collating all the relevant documentation and distributing this five days in advance of the meeting, recording the proceedings in the form of minutes, and circulating these and the outcome of the meeting. The minutes are a summary of the discussion at the hearing and the decision of the Complaint Review Panel following the hearing, but will not include the deliberations of the panel. The minutes are the property of the Governing Body.

The following steps will be followed:

1. The Clerk to the Complaint Review Panel will write to the complainant within five days to confirm receipt of the Stage 3 form and detail further action to be taken.
 - a) Academies: The Clerk to the Complaint Review Panel will convene a panel of two school governors/academy trustees and one independent member.
 - b) Maintained schools: The Clerk to the Complaint Review Panel will convene a panel of three governors.

All three panel members will have no prior knowledge of the content of the complaint. Complainants have the right to request an independent panel if they can demonstrate that there is likely to be bias in the proceedings otherwise. Schools should consider the request but ultimately the decision is made by the Governors.

3. The complaint review meeting will take place within 30 days of receipt of the request for the Stage 3 complaint review. If the first identified date is not convenient for the complainant, up to two further dates should be offered. If these all fail to be suitable or the complainant cancels the meeting at the last minute for whatever reason, then the panel may opt to conduct the Complaint Review meeting in private, without either the schools or the complainant being represented. Their considerations will be based on the documentary evidence previously provided by both parties. This is to ensure that the matter is resolved as soon as possible in the best interests of all parties.
4. The Complaint Review Panel will invite the following parties, where applicable:
 - the complainant;
 - the Executive Head Teacher;
 - the Chair of Governors/Nominated Governor who dealt with the complaint at Stage 2;
 - relevant witnesses;
 - Area Schools Support Service representative (procedural advice).

The complainant may ask to be accompanied to the meeting by a supportive companion, interpreter or advocate. It is not advisable for this person to be a member of the school community, for reasons of confidentiality and to avoid conflict of interest. The complainant must advise the Clerk to the Complaint Review Panel of the name and role of this additional person prior to the hearing, and the Clerk will seek agreement from the Chair of the Panel. If the additional person is attending as an advocate, they will be presenting the complainant's case and speaking on their behalf, and therefore the complainant will not be able to address

the panel directly. If the additional person is attending as a supportive companion they will not be able to address the panel directly.

Neither party is able to bring legal representation with them.

If the attendance of any pupils is required at the hearing, parental permission will be sought if the pupil is under the age of 18. Extra care will be taken to consider the vulnerability of children where they are present at a complaints hearing.

5. The Complaint Review Panel can make the following decisions:
 - dismiss the complaint in whole or in part;
 - uphold the complaint in whole or in part;
 - decide on the appropriate action to be taken to resolve the complaint;
 - recommend changes to the Governing Body regarding the schools' systems or procedures to ensure that problems of a similar nature do not recur.

6. All parties who attended the meeting will be informed in writing of the outcome of the review within 10 days.

This is the final stage at which the schools will consider the complaint. If the complainant remains dissatisfied and wishes to take the complaint further. The schools will not consider the complaint beyond this.

Retention

The complaint investigator/the Chair of the Complaint Review Panel should ensure that a copy of all relevant information relating to the complaint is kept at the schools in a secure, confidential file, separate from staff and pupil records. This information should be retained for six years from the date of the complaint, in line with guidance from the Information and Records Management Society (www.irms.org.uk) and in accordance with the principles of the Data Protection Act 2018. The complainant should be informed that this will be done.

Unreasonable complaints and serial and persistent complainants

St. Martin's Schools are committed to dealing with all complaints fairly and impartially, and to providing a high quality service to those who complain. We will not normally limit the contact complainants have with the schools. However, we do not expect our staff to tolerate unacceptable behaviour and will take action to protect staff from that behaviour, including that which is abusive, offensive or threatening.

St. Martin's Schools define serial and unreasonable complainants as 'those who, because of the frequency or nature of their contacts with the schools, hinder our consideration of their or other people's complaints'.

A complaint may be regarded as unreasonable when the person making the complaint:

- refuses to articulate their complaint or specify the grounds of a complaint or the outcomes sought by raising the complaint, despite offers of assistance;
- refuses to co-operate with the complaints investigation process while still wishing their complaint to be resolved;
- refuses to accept that certain issues are not within the scope of a Complaints Procedure;
- insists on the complaint being dealt with in ways which are incompatible with the adopted Complaints Procedure or with good practice;
- introduces trivial or irrelevant information which the complainant expects to be taken into account and commented on, or raises large numbers of detailed but unimportant questions, and insists they are fully answered, often immediately and to their own timescales;
- makes unjustified complaints about staff who are trying to deal with the issues, and seeks to have them replaced;
- changes the basis of the complaint as the investigation proceeds;
- repeatedly makes the same complaint (despite previous investigations or responses concluding that the complaint is groundless or has been addressed);
- refuses to accept the findings of the investigation into that complaint where the schools' Complaint Procedure has been fully and properly implemented and completed including referral to the Department for Education;
- seeks an unrealistic outcome;
- makes excessive demands on school time by frequent, lengthy, complicated and stressful contact with staff regarding the complaint in person, in writing, by email and by telephone while the complaint is being dealt with.

A complaint may also be considered unreasonable if the person making the complaint does so either face-to-face, by telephone or in writing or electronically:

- maliciously;
- aggressively;
- using threats, intimidation or violence;
- using abusive, offensive or discriminatory language;
- knowing it to be false;
- using falsified information;
- publishing unacceptable information in a variety of media such as in social media websites and newspapers.

Complainants should limit the number of communications with the schools while a complaint is being progressed. It is not helpful if repeated correspondence is sent (either by letter, telephone, email or text) as it could delay the outcome being reached.

Whenever possible, the Executive Head Teacher or Chair of Governors will discuss any concerns with the complainant informally before applying an 'unreasonable' judgement.

If the behaviour continues the Executive Head Teacher will write to the complainant explaining that his/her behaviour is unreasonable and asking him/her to change it. For complainants who excessively contact St. Martin's Schools causing a significant level of disruption, we may specify methods of communication and limit the number of contacts in a communication plan. This will usually be reviewed after six months.

In response to any serious incident of aggression or violence, the concerns and actions taken will be put in writing immediately and the police informed. This may include banning an individual from St. Martin's Schools.

Barring from the school premises

Although fulfilling a public function, schools are private places. The public has no automatic right of entry. Governing bodies have a responsibility to ensure for the wellbeing of pupils and staff, and will therefore act to ensure that schools remain a safe place.

If a parent's behaviour is a cause for concern, the schools can ask him/her to leave the school premises. In serious cases, the Executive Head Teacher or the local authority can notify them in writing that their implied permission to be on school premises has been temporarily revoked subject to any representations that the parent may wish to make. Schools should always give the parent the opportunity to formally express their views on the decision to bar in writing.

The decision to bar should then be reviewed, taking into account any representations made by the parent, and either confirmed or lifted. If the decision is confirmed the parent should be notified in writing, explaining how long the bar will be in place. Anyone wishing to complain about being barred can do so, by letter or email, to the Executive Head Teacher or Chair of Governors. However, complaints about barring cannot be escalated to the Department of Education. Once the schools' own Complaints Procedure has been completed, the only remaining avenue of appeal is through the Courts; independent legal advice must therefore be sought.

Contact details for external organisations if not satisfied with the outcomes of the Complaints Procedure in full

- If you have any queries regarding any aspect of the Complaints Procedure, please direct these to the Clerk to the Governing Body (Appendix B) or the Surrey County Council Area Schools Support Service (Appendix A).
- If the complainant feels that the Governing Body acted unreasonably in the handling of the complaint, he/she can complain to the Department for Education (for Maintained Schools) or the Education Funding Agency (for Academies and Free Schools) after the Complaints Procedure has been exhausted. Please note that 'unreasonably' is used in a legal sense and means acting in a way that no reasonable school or authority would act in the same circumstances.

The Stage 3 Clerk to the Complaint Review Panel

The Clerk to the Complaint Review Panel is the contact point for the complainant for this panel meeting and is expected to:

- set the date, time and venue of the hearing, ensuring that the venue and proceedings are accessible;
- collate any written material and send it to the parties in advance of the hearing;
- meet and welcome the parties as they arrive at the hearing;

- circulate the minutes of the panel hearing to the complainant, the panel, the Executive Head Teacher and the Area Schools Support Service representative (if in attendance);
- notify all parties of the panel's decision.

The Stage 3 Chair of the Complaint Review Panel

The Chair of the Complaint Review Panel has a key role in ensuring that:

- the meeting is minuted;

- the role of the Clerk to the Complaint Review Panel and the Area Schools Support Service representative is explained (including that they take no part in the decision-making but are there to record proceedings and provide procedural advice);
- the remit of the panel is explained to the complainant and both they and the schools have the opportunity of putting their case without undue interruption;
- the issues are addressed;
- key findings of fact are made;
- the hearing is conducted in a manner whereby everyone is treated with respect and courtesy;
- the panel is open minded and acts independently;
- no member of the panel has an external interest in the outcome of the proceedings or any involvement in an earlier stage of the procedure.
