CERTIFICATES

Please remember in your prayers:

All those in Indonesia and Florida suffering from the affects of natural disasters.

We think especially of those who have lost their lives, their families and all who are helping in the aftermath. May they know your comfort and peace.

Our family & friends who are ill or have lost loved ones recently.

We think this week especially of the families of Jesse, Isabelle and Logan
Please let us know via the school office or send a note in with your child if you would like us to add anyone to our weekly prayer list.

Last week in school:

Little Lifesavers Workshop:

On Wednesday, Year 3 had great time learning all about basic first aid and how to deal with emergency situations. The children all worked hard and I know were very enthusiastic. Well done Year 3!

NCCGB Choir Workshop

On Friday, our school choir children had a fantastic morning of singing with NCCGB Vocal Coach, Suzzie Vango. It was an absolutely brilliant session and the children had great fun, learning lots of new songs. Suzzie was very impressed with them all, especially our little ones from Year 1 and 2. We had such a good time that we are hoping to have Suzzie back again in the future to do some more work with the choir and also possibly a special session for our Autistic children!

This week in school:

This is the last week of this half term. School will close at the normal time of 3.15pm on Friday 19th October.

Anti- Bullying Week:

The first week back after half term is national Anti-Bullying week and over this week, the children in key stage 2 will be taking part in workshops led by Jakki Moore to help them become more aware of what bullying is and the

impact it has on the victims. I'm sure the children will learn a lot from these workshops and hopefully, what they learn will ensure that they don't get drawn into bullying or give them the confidence to let an adult know if they are being bullied.

Mini Police Scheme:

On Monday 29th October, our Mini Police group will be having a presentation from our Community Police Officer, Paul Booth, on Firework Safety which they will then share with the rest of the school.

Open Afternoon:

On Friday 2nd November, we will be holding our annual Open Afternoon for parents of children due to start school in September 2019. This is an opportunity to have a look around and see the school in action. Our prospectus will be available and new parents will have the chance to ask any questions they may have.
