### Breakfast Club

It is lovely to see children enjoying our breakfast club which opens at 8:30am every day. Everyone is welcome. However please can we remind parents and carers that children in years Rec-3 are accompanied by an adult for the duration. It is not a supervised club and we want to ensure every child remains safe and happy whilst having breakfast in school. If you haven't

joined us before we offer free cereals and fresh fruit. Drinks and toast cost 20p each.

This is a great opportunity for children to

fuel themselves ready for a day of learning.

## Grampian Weekly News

**GRAMPIAN**  
PRIMARY ACADEMY

With the cold weather coming, the children are wearing more layers. Please can we ask that all items of clothing,

footwear and coats are labelled. We are usually inundated with lost items that cannot be returned to their owner!

We have had several reports of threadworms recently. They are very common and are easily spread especially amongst children. At Grampian we encourage good hand washing before eating and after visiting the bathroom. At home you can help by continuing to support children to have good hygiene habits and by washing bedding and sleepwear often. There is no need to keep your child off school or see a GP. Medication is readily available from the pharmacy and the whole family need to be treated. For more guidance please visit [www.nhs.uk](http://www.nhs.uk)

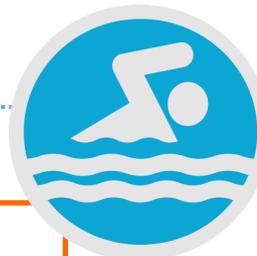

Reminder:

Year 3 swim on a Tuesday afternoon. Please ensure they bring their kits with them every Tuesday morning. Kit includes; a swimming costume (not bikini) or lined swimming trunks, swim hat, towel and goggles (optional)

## Remembrance Craft Afternoon

On Friday 9th November the children would like to invite their parents/carers to join them in the classroom at 2pm for an afternoon of Remembrance crafts. This is a good opportunity to see your child's classroom and share the experience of being back at a school desk again!

The children will be learning about Remembrance Sunday through assemblies and lesson plans.

They will discuss what it means to be respectful and thankful at this time of year.

(Nursery will inform parents of morning and afternoon craft sessions nearer the time)

Reminder:  
Please ensure your child wears appropriate black school shoes as opposed to black trainers. The correct footwear is part of our uniform and needs to be worn every day.

## Dietary Requirements

Chef Mark has asked that parents/carers provide clarification on the dietary needs of their children. We specify a dietary need as either an allergy to a food or a religious requirement.

This does not include food that the child dislikes to eat.

Children have been able to choose their meals since the start of the new academic year which has proved very successful. We encourage children to be independent and make decisions for themselves. However, we do need to know the child's dietary requirements so that we can ensure they choose the right meal.

This information is very important as we do have several allergies and different needs within the school that need to be updated regularly. Feel free to come into the Office to discuss this. The menu can be found on our website and in the main office.

## Dates for the diary

**26th October—Break up for half term**

**5th November—Return to school**

**20th December—Break up for the term**

**21st December—Inset Day (no children to attend)**

**7th January- Return to school**

Reminder:  
*Can we ensure that children only bring fruit for their snack. We are a healthy eating school and have many allergies. Definitely no sweets, crisps or chocolate is allowed.*

## Emergency Contact details

Please ensure you keep the office updated with any changes to your emergency contact details. It is important that we can make contact with you at all times of the day.

## Inhalers

If your child uses an inhaler then they need to have one in school with them at all times. It is also worth remembering to check the use by dates too. We are committed to ensuring the well-being of our children and we would appreciate your help in this matter.
