# Street Detectives

This way or that way? Where should we go? Up to the village hall or down to the playing fields? Let's learn about our community, looking at houses old and new and finding out how our streets have changed since our mums and dads were young. Perhaps your granny or grandpa went to your school or maybe they worked at the baker's shop? Make maps and plans of the streets around us, planning our routes. What can you see? What can we find? Whereabouts do you live? Do you know your address? Find out how to write instructions, directions, adverts and learn rhymes from different times. When the Lord Mayor writes and asks us to help make our street a better place, it's time to get your thinking caps on and paintbrushes at the ready!
