Headteacher: Mr Michael Thomas

16th October 2018

Dear Parents/Carers,

Next half term, Year 6 will be learning about extreme weather as their curriculum topic.

On Monday 29th October, we are pleased to be welcoming real-life storm chasers to the school! Over the course of the day, the children will be learning about:

- Forecasting storms
- Anatomy of storms
- Why people chase storms
- The impact of chasing storms

The children will get to see and discuss footage filmed by the storm chasers, identify high risk areas on maps focussing on storm target zones and experience the technology needed to analyse storms.

It is set to be a very exciting and engaging day with lots interactive tasks, videos and experiences.

We are very much looking forward to this and hope that the children will be left feeling really enthused about their new curriculum topic.

Regards,

Mrs C Winkworth
Head of Year 5 and Year 6

Learning ~ Friendship ~ Safety ~ Success

At Kents Hill Junior School we are committed to safeguarding and promoting the welfare of children, and we expect all staff and volunteers to share this commitment. Designated Safeguarding Lead – Mr M Thomas
