Thank You!

Dear Parents & Carers,

Following last week's short Ofsted visit, I wanted to say a big thank you to you all for your tremendous support. It was overwhelming to read the many wonderful comments about the school and staff and rewarding to know that the things we believe are important are shared by our families too. It will come as no surprise to you that the children showed themselves to be polite, considerate and thoughtful and their behaviour impeccable; a standard that we work tirelessly to achieve and to maintain.

I would also like to take this opportunity to thank our marvellous staff team and to say what a great privilege it is to work with such a talented group of people who consistently 'go the extra mile' in making sure that all our pupils make the best progress that they are capable of and leave us as exceptionally well - rounded individuals when they move on to secondary school.

Finally, I wish to thank our committed governing body for the sterling voluntary work they do to ensure that our school is the fantastic school it is today.

This is **our** school. Thank you all for working with me to make it, and keep it, the school that we want it to be.

Yours sincerely,

Sue Hart
Headteacher
