

Caring, learning & praying together

Crich Church of England Infant School

Admissions Policy
2018/2019

Crich Church of England Infant School

"Caring, learning and praying together"

Admissions Policy

Vision statement

The staff and governors have agreed our vision statement for the school as:

"The school's aim is for the achievement of the highest possible standards by all our children within a secure and caring Christian environment where everyone is valued and encouraged to reach their full potential"

Reception Admission

Parents of children who are due to start main school in September have to apply to Derbyshire County Council for a school place. Please follow this link for more information regarding school admission arrangements www.derbyshire.gov.uk/admissions. Your current childcare provider should also give you the relevant information on when the application process opens.

Changing school at other times

You may want to apply for your child to transfer schools other than when they are due to start primary education. This could be because of a change of address. If you want to apply for a place at a school in Derbyshire, you can do this online at any time of year.

If you have any queries or questions please feel free to contact school on 01773 852165. Arrangements to visit the school are very welcome so please do contact us if you would like to come and have a look around our school.
