

Leslie Manser Primary School

Sport Premium

Leslie Manser Primary School

Sport Premium

Sport Premium funding, also known as Olympic Legacy funding, for Physical Education and School Sport was announced by the government in March 2013. This substantial sum is going directly to schools. The new 'ring-fenced' funding - only to be spent on PE and sport - will go directly to schools who will decide what is best for their children's needs with the aim of improving the quality of provision in every state primary school in England. This could vary from specialist coaching for school sport and teacher training for Physical Education and Physical Literacy or to dedicated sports programmes, Change4Life sport clubs and support for after-school or weekend competitions.

Here at Leslie Manser Primary School we will be receiving around £18354 for the 2018/19 financial year, which in accordance with the guidance we will be channelling directly into developing the provision of Sport and PE throughout the school. We have developed a plan that is based around the academic year September 18 to July 19.

We have completed an initial audit around Physical Education, Physical Activity, Extra-Curricular School Sport and Intra and Inter Competition in traditional and non-traditional sports. Below is a breakdown of how the funding will be spent with how we will be measuring its impact on our children:

Academic year 2018/19 Planned Expenditure

Activity	Expenditure	Intended impact over the year
Specialist teacher advisors: Gymlink, Yoga, Kickboxing, Football & Cricket.	£2500	The specialists will work alongside teachers to help them develop their own skills through planning support, delivery of lessons and assessment. This support will be across the whole school ensuring that the skills of teachers and quality of PE lessons in school is significantly developed.
Equipment and materials	£6000	Equipment and materials updated, replaced or introduced for the cornerstones PE curriculum. Ensure all play equipment used across the school day is safe and accessible.
Sports Week	£1500	New sporting opportunities are to be provided for all children to take part and experience. Children will explore the importance of an active lifestyle whilst trying new activities that they may wish to continue.
Release time for staff development	£1500	To release the PE Subject Leader from teaching duties throughout the year in order to develop a wider network of competitive sporting opportunities. To release other members of staff to complete PE professional development opportunities.

Wake up, Shake up week	£100	Whole school to take part in the Change4life wake up, shake up activities to encourage children to lead a more active and healthier life. Incentives to be used to encourage maximum participation.
Change4Life Club	£600	To release a member of staff to receive training from the Change4life group. To buy the appropriate apparatus and incentives for the children that take part in the club. This will be accessed by KS1 on a rotational basis over the academic year.
Sporting opportunities during school time	£500	This is to facilitate children attending sporting activities in school time such as travel costs. Such as; Year 3 & 4 to take part in a multi-skills festival. SEND children to take part in New Age Kurling. Legacy Challenge training for four Year 5 pupils. Year 5 & 6 TAG rugby competition.
Active play opportunities	£1000	To be spent on release time for a member of staff to train play leaders as well as buy new equipment to facilitate active play at break times and lunch times using the Change4life scheme.
Extra-curricular PE opportunities: Multi-skills, Table tennis	£2000	This is to be used to subsidise out sourced after school clubs to gain maximum participation.
Bikes for Foundation Stage	£500	Bikes and trikes to be purchased to enhance the outdoor learning and gross motor skill opportunities in Foundation Stage.
Swimming boosters	£1000	To provide additional swimming lessons to children who do not meet the swimming requirements for the national curriculum.
Total	£17,200	

The impact of this funding will be measured through:

Pupil perception questionnaires and pupil voice opportunities through a Physical Education and School Sport Council measuring the interest of children in different areas of the PE curriculum;

- direct feedback by teachers and pupils on the quality of support offered by the specialist coaches for individual school sports;
- direct feedback from teachers on the quality of support offered by specialists in Physical Education teaching and development of Physical Literacy and Physical Fluency;
- evaluation of the teaching of Physical Education lessons;
- evaluation of the quality of provision of extra-curricular clubs in relation to physical activity and school sport;
- feedback from the specialist teachers to the Head Teacher on the level of engagement by teachers;
- the increase in the number of children engaging in inter school sporting activities;

- the increase in quality of provision and opportunities within the curriculum to take part in ‘active learning’ and ‘outdoor learning’;
- increase in the attainment and progress of children in relation to fundamental movement skills, physical fluency and key competencies across all activity areas delivered in curriculum Physical Education;
- the number of children attending a club related to physical activity, the development of physical literacy and physical fluency or sports club either in school or outside of school in the local community.

Academic year 2017/18 Expenditure

Activity	Cost	Intended impact over the year	Impact
Specialist teacher advisors: Gymlink, Cricket, Football, Kickboxing.	£2000	The specialists will work alongside teachers to help them develop their own skills through planning support, delivery of lessons and assessment. This support will be across the whole school ensuring that the skills of teachers and quality of PE lessons in school is significantly developed.	All year groups received Gymnastic and fitness training from Gymlink, as well as receive football sessions from the FA to upskill teachers in the quality of both Gymnastic and Football sessions that have been delivered since.
Equipment and materials	£1000	Equipment and materials for the new cornerstones PE curriculum.	Additional equipment has been purchased to enhance current provision but to also allow new topics such as ‘badminton’ to be taught by buying a class set of badminton rackets and shuttlecocks.
Release time for staff development	£1500	To release the PE Subject Leader from teaching duties throughout the year in order to develop a wider network of competitive sporting opportunities. To release other members of staff to complete PE professional development opportunities.	The PE coordinator was released to carry out training externally which was then brought back and shared with all staff. Child questionnaires were conducted to investigate the effectiveness of the PE curriculum, external coaches and opportunities to maximise engagement. This was fed back to staff and included in future development plans. PE coordinator conducted a work scrutiny and PE lesson observations across the whole school. The effectiveness and development points were then fed back to staff. Other members of staff were released to carry out training which was then utilised in school, such as the legacy training.

Yoga	£1000	<p>Precious moments to provide a lunchtime mindfulness and yoga club to enable children with emotional challenges a time to focus on themselves and express their emotions in a physical way.</p> <p>Upper Key Stage 2 classes to have weekly half hour yoga and mindfulness sessions. To develop flexibility and concentration skills.</p>	<p>The lunchtime club was popular among the targeted children. Staff and parents noted improvements in emotional wellbeing.</p> <p>All children enjoyed the session and as the sessions were built upon each week the children were much calmer and more focussed in the sessions. They then took this back into their classroom based learning.</p>
Sporting opportunities during school time.	£500	<p>This is to facilitate children attending sporting activities in school time such as travel costs.</p> <p>Such as;</p> <p>Year 3 & 4 to take part in a multi-skills festival.</p> <p>SEND children to take part in New Age Kurling.</p> <p>Legacy Challenge training for four Year 5 pupils.</p> <p>Year 5 & 6 TAG rugby competition.</p>	<p>This was used to transport children to other schools so they could take part in competitions and festivals.</p> <p>SEND children competed again other local schools at Goal Ball and New Age Kurling won.</p> <p>A team of 10 year 5 & 6's took part in a Rugby festival at Bishop Grosseteste University.</p> <p>A team of 10 children for lower Key Stage 2 took part in a multi skills festival.</p> <p>5 children and a member pf staff were trained to deliver the legacy challenge.</p>
Sports week	£1000	<p>New sporting opportunities are to be provided for all children to take part and experience.</p> <p>Children will explore the importance of an active lifestyle whilst trying new activities that they may wish to continue.</p>	<p>All children were provided the opportunity to take part in circus skills, badminton and cricket sessions. The sessions were very successful. Children were keen to practice circus skills during break times. Subsequent Badminton and Cricket sessions were then delivered to build upon their skills.</p>
Active play opportunities	£500	<p>To be spent on release time for a member of staff to train play leaders as well as buy new equipment to facilitate active play at break times and lunch times.</p>	<p>Play leaders were trained and the equipment was used to engage children at lunchtimes in active play. It had a high uptake of children taking part.</p>
Change4Life Club	£600	<p>To release a member of staff to receive training from the Change4life group.</p> <p>To buy the appropriate apparatus and incentives for the children that take part in the club.</p>	<p>The KS1 multi-skills club was very popular and had to run on a rotation basis so all children could have an opportunity to attend.</p>

		This will be accessed by KS1 on a rotational basis over the academic year.	
Extra-curricular PE opportunities: Multi-skills, table tennis	£2000	This is to be used to subsidise out sourced after school clubs to gain maximum participation.	This was used to subsidise after school clubs in order to maximise the amount of children taking part.
Bikes and helmets for bikeability.	£1,100	10 Bike to be purchased to enable all children with parental permission to access bikeability.	All children with parental permission were able to take part in bikeability, including those children that would not have been previously able to take part due to lack of equipment.
Total	£11,200
