### This Week's Data Whole School Attendance

97% - Satisfactory  
Well done to Rowling who had an attendance of 97% and Donaldson who had an attendance of 99%. They will get an extra five minutes playtime.  
Well done them!

The Anlabee challenge this week was won by the Red Team  
Well done them!

The Athletics Trophy was won by Ahlberg in KS1 and Walliams in KS2.

We were able to hand out 41 Bronze and 7 Silver Athletics Certificates.

### Holiday Club

If you fancy a day without the children over the half term holiday why not leave them at the Hive?

Educational and fun in a safe environment.  
Ask at the office or see Miss Stanley for further information.

### This Week

Inkpen and Rosen have been introduced to the joys of using scissors by doing some college work.

Sharratt and Donaldson have been using new equipment in their outdoor area to practise their ball skills. In maths they have been working on number bonds to 10 and addition stories.

Potter and Ahlberg have been writing narratives about a monster party. In PE they have been developing their throwing and catching skills ready to learn how to play benchball.

Murphy and Dahl have designed, made and decorated some stone-age jewellery. In English they have written about how to wash a woolly mammoth – carefully I would suggest!

Morpurgo and Kinney have been doing their own choreography for a Peter Rabbit dance. In science they drank fizzy drinks and listened to the gurgling in their stomachs.

Herge and Walliams have been reporters writing articles to describe the Apollo 11 moon landings. In art they have been developing a mood board to help them do some sewing of a moon scape.

Shakespeare and Rowling had a fantastic afternoon interviewing and listening to stories from a real life World War II evacuee! They asked fantastic questions and were thoroughly enthralled by Mrs Elliott's experiences.

Have a great weekend.

### The Hive Out of School Club

This week our activities have been linked to the Year 5 Stargazers topic and Hull Fair!

We have made representations of the Moon, Sun and Earth and looked at how they orbit. We have also researched constellations and recreated our favourites using cocktails sticks and marshmallows.

As part of our Hull Fair theme, we have made chocolate apples and played hoopla and hook-a-duck.

In French club we learned about the months of the year, fruits and words associated with questioning.

Thank you to Mrs Brindle for donating £20 for the first person to reach over 1500 on the keepy up challenge. I am now the current leader with 1731!!!! Can anybody beat that!

How the Anla-bee costume was made. An interview with Mrs Wilkinson.

Q. What was your inspiration?  
A. My inspiration was the 'Bee Lady' who does such a wonderful job raising money for the elderly.

Q. How long did it take you to make?  
A. It took me about three weeks as most of it was hand sewn.

Q. Where did you get the supplies from?  
A. Mr May very kindly allowed me to go to the scrap store, just off Hessle Road, with some money from the school.

Q. How much did it cost?  
A. It came to a grand total of ...£14.32!

Q. How did you manage to get the shape just right?  
A. With a little bit of magic!

Have a great weekend.

Olivia, Ana, Annelise and Katie.

Mrs Jefferson's Harvest Assembly

Fantastic assembly – so pleased to have been invited. Really lovely to see the results of the children's hard work!

Lovely to see such confident children! Particularly enjoyed the song at the end.

Really enjoyed Team Kinney's Harvest Assembly.

Brilliant assembly. It was great to hear the harvest message. Well done!

Very enjoyable!

A well-constructed Harvest Festival. Loved the harvest songs, the message came across well.

Well done Team Kinney. A fantastic assembly!

The Bee Lady!

We had a very special visitor this week when Hull's famous Bee Lady, Mrs Jean Bishop, came to school to hand out the prizes for our fancy dress bee competition and to collect the money we had raised through our non-uniform day and bun sale.

The children were very excited to see her and she loved being in our assembly and handing out the prizes.

She hopes that she will be able to return to see us again soon and we would very much love to have her back to see us at another time.

It has been a fantastic way to launch our Anla-bee behaviour strategy and also do something for the community at the same time.

We are now hoping to develop our Anla-bee house system to include a range of competitions. Let us know if you have any suggestions.

I would like Mr May to know...
