

## PSHE/SEAL - we'll be learning about:

- How to identify our feelings and know how to calm down
- Different relationships and what makes a good friend
- Valuing the achievements of others
- Bullying-identifying what it is and how to deal with it

## LITERACY

Inspired by our topic and our key text 'Beegu' by Alexis Deacon we will be writing:

- character descriptions
- letters

Grammar: we will continue to work on accurately using finger spaces and simple punctuation; full stops, capital letters. We will then explore extending simple sentences, by using conjunctions such as; and, so, then, but.

## RE - we'll be learning about:

- Christianity-the story of the birth of Jesus
- Christmas and traditional customs
- Judaism-about the story of Joseph and the celebration of Hanukkah

## History - we'll be:

- Learning how to create a timeline
- Finding out about events that are important to us
- Using objects to find out more about an event
- Learning about important events that happened in our local area
- Learning about an event by interviewing someone who was there
- Using different sources to learn about a national event
- Exploring events of global significance by asking and answering questions

## International - we will be:

- Finding out about different festivals from around the world
- Comparing different types of festival from around the world

# Time Travellers

## Year 1

### Autumn 2

### Stunning Start:

Sharing memory boxes. Over the half term, the children will have put together memory boxes to tell the story of their life so far.

## PE - we'll be learning:

- how to move in different ways
- how to repeat and develop simple movements
- how to sequence a series of movements
- how to create group dances

### Marvellous Middle:

Trip to Brighton Pavillion to uncover the Royal Pavillion's intriguing history and learn about the former residents.

## Spanish - we'll be:

- Recapping our greetings
- Learning numbers to 10
- Learning the names of colours

## Art & DT - we'll be:

- Exploring the work of a key artist from the past
- Exploring how to use different materials at the same time to create a desired effect

## Maths - we'll be learning to:

- make number bonds and number stories
  - add by using number bonds
  - add by counting on
  - complete number sentences
  - make addition stories
  - solve picture problems
- All of our maths work will focus on numbers to 10, laying solid foundations for future learning.

## Computing - we'll be learning:

- To use develop our keyboard skills
- To save our work
- How to stay safe on the internet

## Music - we'll be:

- Learning and performing Christmas songs
- Playing untuned instruments in time to music

### Fabulous Finish:

Learning Share, to show all of our fantastic work over the autumn term!
