18th October 2018

Dear Parents/Carers,

Phonics-in-Action

As part of our continued commitment to working in 'Partnership with Parents' we would like to invite you to observe a phonics lesson. This will offer you a valuable opportunity to observe not only how Phonics is taught and the progression of the lesson but also an exciting chance for you to see your child in their learning environment.

There will be a half hour 'Phonics in Action' session held at 9.10am, on Tuesday 6th November and Thursday 8th November. One family member is invited to attend one session per child only, due to limited space within the classroom.

Teaching Assistants will be available for you to sign up to your preferred time outside your child's classroom at the end of the day, week beginning 30th October. If you are unable to sign up after school, please send a note in your child's book bag with your preferred time.

Kind regards,

Reception Team
