
Applications open for Governor vacancies in local academies

Are you looking for opportunities to make a difference? Do you have a passion for improving opportunities for young people? Would you like to develop your own professional skills?

If you answered 'yes' to all three questions, joining the quarter of a million people in England volunteering as a school governor could be right for you.

Governors play an important role in leading our academies. They set the strategic vision and direction, approve the budget and hold the Headteacher and senior leaders to account for the educational outcomes of children and young people.

Our Local Governing Bodies have significant delegated authority to lead their academies in the best interests of students and the local communities we serve, backed up by the support and partnership opportunities provided by our growing Trust.

Sussex Learning Trust currently has vacancies for Governors at:

- **Warden Park Secondary Academy** (Cuckfield); and
- **Warden Park Primary Academy** (Haywards Heath).

We are particularly interested in candidates with a finance and/or education background, but would welcome applications from anyone with relevant skills, experience and passion for the role.

Please visit www.sussexlearningtrust.co.uk to view the role description for governors and download an application form. If you would like any further information or an informal discussion with the respective Chair of Governors, please contact Natalie Shelford (Clerk) at clerk@sussexlearningtrust.co.uk

Applications close on **2 November 2018** and interviews will be held thereafter.
