### Harvest Festival at St Mary's Church

It was lovely to see so many parents and relatives at our Harvest Festival. Our theme this year was 'A pizza as big as the sun' and children recited the poem, with each class adding their item to the pizza, e.g. tomatoes, mozzarella, olives and telling us many fascinating facts about them, including the food miles taken to transport these foods to the UK. As usual the children's singing was fantastic, especially for our favourite 'Harvest Samba' song!

We are very grateful for the huge number of donations given on both days, which were displayed on every table and ledge all around St Mary's. All our donations were taken to Doncaster Foodbank, where they will make a big difference to many local families. I know helpers at the Foodbank are very grateful for our support.

Young Shakespeare Company - Children in Year 5 and 6 thoroughly enjoyed a performance and workshop session of 'Macbeth' led by the Young Shakespeare Company. This provided children with a really inspiring and engaging first experience of Shakespeare.

### Lego Club

We are very grateful to members of the local community who have helped us to build up a huge collection of Lego. Our new Lego club has proved very popular and the children's models are getting bigger week by week! Thank you to all families and neighbours who have donated Lego to us.

Best wishes,
