15 October 2018

Dear Parents/Carers

**Re: Remembrance Day**

Armistice Day, which is also known as Remembrance Day, takes place on 11 November each year. It marks the day World War 1 ended - on the 11<sup>th</sup> day, of the 11<sup>th</sup> month, at the 11<sup>th</sup> hour.

2018 marks the 100<sup>th</sup> anniversary of the end of World War 1 and, as a school, we would like to mark this occasion with a whole school project.

Our aim is to create a wall of poppies around the school grounds, which will be designed and made by the children in each class. We would like to make them out of used plastic drinks bottles, which will also support the government initiative of 'Reuse, Recycle and Reduce' plastic pollution.

Therefore, we would kindly ask for donations of plastic bottles, small or large, to be brought into school before Monday, 5 November, so that each child will have the opportunity to contribute to our memorial. Please send in as many as you can so that the children can make more than one, therefore giving maximum impact to the display.

Many thanks for your support in this project.

Yours sincerely

**Miss Jones**  
**Year 2 Teacher**
