

*KS2 10 fun things to do this
holiday*

Can you do them all?

- Bake autumn themed bread
- Go for a nature walk
- Play conkers – How can you make it so your conkers win?
- Research why leaves change colour and find out about photosynthesis
- Go on a family bike ride
- Visit a new place outdoors
- Play a board game as a family
- Make an autumn collage
- Have a technology free meal with your family
- Have a cosy evening together
