Dear Parent/Carer

Cedar Class Assembly

Children in Cedar Class impressed everyone with their confidence and enthusiasm as well as the amount of words they had memorised for their class assembly on Tuesday. It was a lovely collection of stories, poems and songs, including a particularly enjoyable version of We're Going on a Bear Hunt.

Reception Market Trip

Reception are reading Handa's Surprise at the moment and to help them experience elements of the story the teachers took them in small groups to the market on Wednesday. They had a great time choosing fruit and vegetables like Handa and using their maths to work out how to pay.

Victoria Allotment

A HUGE thank you to the parents who gave up several hours last Saturday to clear our school allotment. A special mention goes to Lucy Sutton and Louise Fasher for getting the whole project started and to Alex Falkowski

and his company, Foundation Landscape and Groundworks, for providing expertise and machinery. We can't wait to start using it and the School Council have already got lots of ideas on what we might grow there.

Bins

You might have noticed we have some new bins in the top and bottom playgrounds. These are colour-coded to match

Star of the Week

Acorn

Teddy for coming in to nursery with a smile.

Maple

Stefan for being a superstar during our trip to the market

Oak

Imogen for trying really hard in phonics.

Beech

Alfie for always trying his very best and being caring.

Cedar

Nick for being focused and trying to do his best.

Hazel

Brooke for an amazing effort in maths.

the Dacorum system of grey for general waste and blue-lined for recycling. Please help us by ensuring any items you throw away on school premises go in the correct bin.

RE Resources

We would like to increase our stock of RE resources and would be very grateful if you have any items relating to Hinduism and Judaism that you would be happy to donate to the school.

Book Bags

Recently school library and reading books have been damaged by leaking water bottles. Please can you keep the bottles out of the children's book bags. We would also ask that toys are not brought into school either as the children put them into their book bags as they go into class and this means that the bags are then too big to fit in the children's drawers.

Schools' Family Worker Drop-in at Victoria

Don't forget to make an appointment with Lisa MacGovern if you need advice on issues such as bedtimes, general routines, family well-being or managing feelings. Lisa has lots of experience supporting families and will be at Victoria on the morning of Thursday 25 October.
