Parents Evening

Thank you.

Parent Forum

I must thank all the parents who gave up their time last year to engage with the school in a positive and proactive way to help further improve communication between home and school on areas where views of parents were particularly helpful.

I would like to thank those parents who have offered to join the Parent Forum this year. We now have parents representing all year groups, some are parents who will be new to the group, some who were part of the group last year. I look forward to meeting with these parents in our first meeting of the new school year which will take place next week. We will be discussing and sharing opinions about areas of school life that involve parents. Once we have had our first meeting I will keep all parents up to date with who is on the group and what our plan for the year is.

Hello everyone!

The beginning of term has flown by and now we head for a well-deserved half term break. What a busy term so far with lots of new children who joined us in September and a few more starting before Christmas. We have some spare sessions from January 2019 which means that children who are due to start school in September 2019 have at least two terms to get ready and be well prepared for joining 'big school' later in the year.

Jacqui, the pre-school manager, worked incredibly hard during the summer holiday to sort out all of the toys, equipment and resources, indoors and out, to make space for new ones. We are becoming more focused on providing children with increasing amounts of natural materials to experiment and investigate with. This also includes our garden area where we encourage children each day to spend time in the fresh air to use, for example, tools in the vegetable patch and make potions and spell's in the 'mud kitchen'!!!

Please come and have around our pre-school and pass the word on to other parents whose children might like to join us. Have a look at our Face Book page or visit our website; www.buidingbrickspre-school.co.uk which will give you a flavour of the wide variety of exciting activities we offer children.

Please also have a look at the Childcare Choices website at www.childcarechoices.gov.uk as you might be eligible for financial assistance. You can also find out about Tax-Free Childcare there too! If you are not eligible some 2-year olds may be able to receive funding depending on family circumstances and all 3 & 4-year olds are entitled to 15 hours of universal funding that they can access the term after their third birthday. Some children of working parents may be eligible for 30 hours of extended entitlement funding also. The childcare choices website provides good information to help you decide.

If you would like more information please contact me on **01430 879804** or call the **Pre-school direct on 01430 471591**. Alternatively, call in to Pre-school at your convenience and meet everyone! You are very welcome indeed to pop in and look around and perhaps consider booking a free 'taster' session for your child.

Regards,

Jackie
