

After two very enjoyable visits from 'The Image Musical Theatre', we are very much looking forward to welcoming them back on

Tuesday 13<sup>th</sup> November

to perform

## 'The Selfish Giant'

Oscar Wilde's short story the 'Selfish Giant' is a beautiful and moving tale. By sharing the experience of the giant's selfishness, a moment of realisation and finally his redemption, children and adults alike are reminded of the value of generosity. The show requires the participation of a dozen children who play the villagers and the whole audience who take part as chorus singers. With beautiful period costumes, an ingenious set and wonderful music, this production will continue Image Musical Theatre's tradition of providing the very best touring theatre.

We believe this is a fantastic opportunity for the children to see a live and professional production of a much loved story at a fraction of the cost of seeing it in a theatre and without having to incur expensive travel costs.

We would be grateful for voluntary contributions of £\_\_\_\_\_ to cover the cost of the show via the school's online payment system.
